**Press Release**

From Thursday July 11, 2019 through Saturday July 13, 2019, there will be a Local Assistance Center (L.A.C.) set up at Kerr McGee (100 W. California Ave.) The L.A.C. will be open from 10:00AM to 8:00 PM. The L.A.C. provides a single facility at which individuals, families, and businesses can access available disaster assistance programs and services. There will be state, county, and local agencies that will be there to assist and provide information to everyone who has been affected by the earthquakes. Once we have a confirmed list of the agencies, we will publicize the information throughout the city.
