Re: Update Recycling Collection Schedule

Service Address:

Dear Valued Customer:

In order to accommodate future growth and provide quality service to all City of Ridgecrest residents, we must periodically adjust customer collection schedules. You are receiving this letter because you will be impacted by a future change.

Beginning the week of January 11, 2021, your recycling container will be now serviced every other week on **ODD** weeks of the month. An updated service map and schedule has been included with this letter to assist you with this transition. Please note that your weekly trash service day has not changed.

We thank you for being a Waste Management customer and allowing us to provide you with industry-leading waste and recycling services. If you have any questions regarding this letter, please contact us at (760) 463-6024 or visit our website at home.wm.com/Ridgecrest.

Sincerely,

Customer Service
