ROAD CONDITION ADVISORY

To all Ridgecrest Residents:

Please be advised N. Gold Canyon Dr. from Pierce Elementary School to Richmond Rd. will remain closed for the foreseeable future.

In order to alleviate flooding in residential areas, a portion of the roadway had to be removed. There are barricades and delineators blocking both directions of the roadway.

Please do not attempt to bypass the roadway in this area and find an alternate route.

Please keep monitoring social media for updated information.

Captain Justin Dampier
Acting Chief of Police
Ridgecrest Police Department

NEIGHBORHOOD FLOODING ADVISORY

To all Ridgecrest Residents within the area inside
W. Felspar, N. Norma, W. Howell, and N. Warner St.

Please be advised the areas listed above have pooled water and could possibly prevent the residents from exiting in their vehicles. If you live in this area and find you are unable to leave your residence please call the Ridgecrest Police Department at 760-499-5100 for us to facilitate a 4x4 to assist with evacuating you from your residence if needed. City Staff is working on pumping the water out of the area.

Please keep monitoring social media for updated information.

Captain Justin Dampier
Acting Chief of Police
Ridgecrest Police Department

ROAD CONDITION ADVISORY

To all Ridgecrest Residents:

As we continue to see the effects of this severe storm, the City of Ridgecrest's roadways are still impacted by the amount of precipitation.

Several roadways are still flooded with debris on them causing roadway safety concerns.

Please use precaution while driving as City Staff continues their work on clearing roadways.

Please keep monitoring social media for updated information.

Captain Justin Dampier
Acting Chief of Police
Ridgecrest Police Department
