## Volunteer Coaches

We are always dependent on our volunteer coaches to help make our many youth sports leagues possible! This is a great way to give back to the community and make sure the children have a great and fun sports season. As a THANK YOU for your time and efforts our **head coaches** will receive 50% of their child's/children's registration fee returned to them via account credit at the end of the season. This can be used for any city activity or sports program in the future.

(To receive this credit, coaches must remain **head coach** through the entire season and will only receive the credit for the child's team(s) that they coached)

## Officials & Field Managers

The Parks and Recreation Department is always looking for individuals interested in officiating for our many youth sports offered throughout the year. This is a wonderful way to give back to the youth of our community and earn a little extra money.

*If you or someone you know is interested in coaching or officiating, please contact Denise Gonzalez at [dgonzalez@ridgecrest-ca.gov](mailto:dgonzalez@ridgecrest-ca.gov)*
