The Highway 178 Corridor Tourism Expo October 27-19, 2006

The October 27-29 Highway 178 Corridor Tourism EXPO centered in Ridgecrest, California, is shaping up to be a huge crowd pleaser for southern California consumers and travel professionals alike. The Halloween weekend event will feature field trips, exhibits, a barbeque, multi-media presentations, music, stargazing, a street fair, visitor information and much more during the most prime-weather time of the year. Much of August has been directed towards the planning effort of the year long celebration and tourism project of the City, the Ridgecrest Chamber of Commerce, the IWV 2000, the RC&D, and the RACVB. Ray Arthur has accepted the leadership role for the IWV Valley and community with the assistance of Bob Barnes. Several grants for the County of Kern Tourism Promotion Board of Trade Grant and funding the event and the work of Bob Barnes.

The Olde Towne Fall Festival October 28, 2006

The Business community of Balsam Street and W. Ridgecrest Blvd. is hosting the Olde Towne Fall Festival 10:00 a.m. to 4:00 p.m. coordinated through the Ridgecrest Chamber of Commerce. Six new recycling trash containers and a recycling container provided by a grant will be placed on the streets. The Olde Towne designation is shown below. improvements

to the down town area are scheduled for the later this year to create a shopping area that is human in scale and pedestrian friendly . Take a break and visit both These events this Month.
