## ADMINISTRATION

<b>Michael D. Avery</b> City Manager	<b>Eva Peterson</b> Exec. Secretary
<b>Rita Gable</b> City Clerk	<b>Rachel Rumbo</b> Human Resources
<b>Ann Taylor</b> Adm. Analyst III	<b>Craig Bradley</b> MIS Manager
<b>Karen Guidangen</b> Risk Management	<b>Starla Shaver</b> Adm. Analyst I

## City Manager

City Manager Mike Avery— Attended various meeting and events last month including the United Way Community Leadership Advisory Conference at the Marriott. I and other community leaders were asked to assist the United Way with formulating ideas on their fund raising efforts during our difficult economic times. Staff members and I continue to meet with Benz Sanitation toward agreement on recycling criteria mandated by the California Integrated Waste Management Board (CIWMB). Participated in the League of California Cities Desert Mountain Division's meeting held in Barstow where speaker Assemblyman Steve Knight, with the 34th District discussed "State Budget Reform and Protecting Local Revenue." Participated in a tele-conference with NBS Consulting regarding Prop. 218. Prop 218, called the "Right to Vote on Taxes Act protects taxpayers by limiting the methods by which local governments can create or increase taxes, fees and charges without taxpayer consent." Discussions with internal staff and external parties regarding Projects for Stimulus Dollars occurred in April. Additionally, the City is dedicated on working along side the Indian Wells Water District in protecting our valuable water supply through water conservation and public education. Attended water sub-committee and water IWV Board water meetings to assist in this endeavor.

## Administration

Rachel Ford -Human Resources is actively recruiting for a City Engineer and finalizing the three selected Wastewater Operator/Trainees backgrounds. Parks and Recreation has kept us busy with reinstating Lifeguards, Day Camp Teachers, Day Camp Aides, and Seasonal Maintenance in preparation for the summer season. Evaluations are coming in regularly and we have been working to improve our turn-around time on Change of Status forms so payroll can keep up on pay changes. We had one employee retire this month and were able to assist that person with retirement and benefit paperwork. Rachel is currently working on two new administrative policies and writing a formal plan document for our employee cafeteria plan that complies with changes in the IRS code. We are also gathering information on Life and AD&D health policies that we can compare to the City's current MetLife plan to ensure we are getting the best plan available for our employees at a rate that may save the City money on employee benefits. Rachel has also been working in her new role of Deputy City Clerk, helping the City Clerk with agenda's, minutes and will be working the special election on May 19.

# City Manager/Administration

Telephone 499-5004 - Fax 499-1500

Starla Shaver—In the month of April one youth continued his Work Experience at Goodwill and one began his work experience at The Ridge Apartments, another began his Work Experience at Kmart. Two youth continue a Work Experience within the Community Development Dept. The Program staff submitted a Request for Proposal and was awarded for \$380,000 for funding under the American Recovery and Reinvestment Act. The YES Program is enthusiastically seeking new enrollments for our May Intake. Staff has been working on intakes for the upcoming classes in May.

The YES youth are available to assist departments through Work Experiences. The program will pay wages for 20 hours weekly for up to 7 weeks. If your department has a need for this assistance please notify our office to make arrangements. Please remember, the interest you show today in our youth of this community will ultimately shape our community and our country tomorrow. Show a positive interest and secure all of our futures

Eva Peterson— continued to work on revisions made by Department Heads to Visio Org chart. Completed reconciliation for City Council travel and prepared Council travel for League of California Cities committee meeting. Took and composed City Organization meeting minutes. Plaque complete for our Ridgecrest Sister City Organization to present to the President of Tepatitlan, Mexico. Interviewed Vice Mayor Wiknich for Council Corner portion of the New Horizons June issue and began composing article for publication. Combined March Monthly Reports and placed on the City

website and 2 (two) "Find the Phrase" prizes were awarded. PILT letter re-worked. Military-Civilian Luncheon and Groundbreakings, meetings w/Supervisor McQuiston, Captain Peterson, Mayor Morgan and City Manager coordinated. Re-worked DI "Green" ad with D. Valentine. Scanned Infrastructure agenda's and back-up into Questy's. Typed letters, printed and entered timesheets, sent out birthday cards, food-set up for City Council and filled postage meter - as needed. Reminder - The New Horizons committee encourages all employees to submit articles and pictures for publication—we welcome your input.

Ann Taylor - I am currently back working onsite at City Hall. I had the opportunity to attend training for DBE race conscious on the new requirements for bidders who potentially could be awarded a contract with the city. I also have been participating in webinars and webcast regarding the stimulus funds for energy efficiency for municipalities and home owners.

*Our condolences to Karen Guidangen and her family for the loss of her brother-in-law. Our prayers, our thoughts, our tears and are hearts are with her and her family. Hugs.*

**“Find the Phrase.”**

Every month, the City Manager’s page will reveal a phrase contained within the Monthly Report. The first City employee to call Eva Peterson (x5004) and identify the page and paragraph that contains the phrase will win a PRIZE! Below in the text box is the phrase for this month.

**GOOD LUCK TO ALL CITY EMPLOYEES!**

Monthly Report Phrase for April 2009 is :  
“parties that”

CITY OF RIDGECREST

## ANOTHER JAM PACKED SUMMER AHEAD

### SUMMER SIGN-UP DATES:

- **May 26**– Day Camp, Pre-School and Arts and Crafts Classes
- **May 27**– All Aquatics Programs
- **May 28**– All Sports Camps
- Sign-up times will be 6:00pm-7:30pm all three days.

The Parks and Recreation Department is gearing up for what is sure to be another summer season jam packed with activities for people of all ages. The Summer Brochure detailing all of our camps, classes and other activities hit the Daily Independent on May 16th and was available at the Kerr McGee Community Center front counter on May 13th. There will be a 3 day sign-up event beginning May 26th. On May 26th from 6pm-7:30pm we will be holding sign-ups for Day Camp, Fall Pre-School and Arts and Crafts classes which include necklace making, paper airplane making and a board game camp, just to name a few. On May 27th from 6pm–7:30pm we will be holding sign-ups for our Aquatics programs. This includes regular swim lesson classes as well as Private(1:1 ratio) and Semi-Private(1:2 ratio)

swim lessons. On May 28th we will be holding sign-ups for all of our Sports Camps which offer instructional camps in everything from flag football to soccer. Sign-ups taken on these days will guarantee the person a spot in those

classes/camps. Any sign-ups taken after those dates will be on a space available basis and will receive no guarantee of participation.

For more information, patrons are directed to visit the Kerr McGee Center or call 499-5151.

## 5TH GRADE BASKETBALL COMES TO AN END

The area elementary school's 5th Grade Basketball league at the Kerr McGee Center has come to a close. The 5th grade basketball league plays 1-2 games per week for both Girls and Boys divisions for the season. In the Boys Division there was Inyokern, Faller, Las Flores, St. Anns, Gateway and Pierce Schools. The Las Flores boys came out on top for the season.

In the Girls division there was Inyokern, Faller, Las Flores, St. Anns, Gateway, Immanuel and Pierce. The Girls division ended with Gateway as the winners.

Both the Girls and the Boys divisions showed great sportsmanship and team commitment.

WAY TO GO 5TH GRADERS!

## ROCKY MOUNTAIN ELK FOUNDATION COMES TO KMCC

The Rocky Mountain Elk Foundation held their annual fundraising dinner and auction event Saturday May 9th at the Kerr McGee Community Center.

After the dinner was served an auction took place where patrons bid on everything from wildlife themed paintings to guns and knives.

The Rocky Mountain Elk Foundation Champion the conservation of Elk and other wildlife with this mission statement taken from their website-

*"The mission of the Elk Foundation is to ensure the future of elk, other wildlife and their habitat. "*

Picture of previous year event

## PARK PRE-SCHOOL COMING TO A CLOSE

As summer programs begin, The Parks and Recreation Departments Park Pre-School comes to a close. The School year runs September–May. Class runs 2 days per week from 8:30am–11:30am. The Park Pre-school program aims to develop every child's emotional, social, physical and educational growth through reading readiness, gross and fine motor skills, exploration, drama, puppetry, science, health, show and tell time, and community speakers. Sign-ups for next years classes will be held on May 26th from 6:00p–7:30p at the Kerr McGee Center. Open registration will be taken after those dates on a space available basis. For more information please pick up an information sheet at the Kerr McGee Center or call 499-5151.

# MORGAN HILL Invests in Recreation And Turns a Profit

*A new recreation center pays off  
for residents and the city.*

In the early 1990s, the City of Morgan Hill eliminated its recreation services as a result of severe budget cuts. Afterward, the city relied on the local YMCA, athletic associations and other service providers to offer recreation programs. Residents soon realized that the community's quality of life was significantly impacted by cutting the city's recreation services. A grassroots effort to not only restore but also enhance municipal recreation services was born.

**A** community visioning process began in 1996 as the precursor to the city's existing Parks, Facilities and Recreation Programming Master Plan. Subsequently, Morgan Hill residents voted to extend the life of the local redevelopment agency, which identified funding of community recreation facilities as a priority.

## **Creative Thinking Helps Reduce Costs**

With a renewed focus on recreation, the city had an opportunity to expand ser-

vices by investing in public facilities and partnering with other service providers. However, funds were still limited. When planning for the Centennial Recreation Center (CRC) began, the city leaders sought creative solutions to help reduce operating expenses.

The CRC design grew out of a participatory process that reflected the community's priorities and needs. In June 2003, a subcommittee consisting of representatives from many community stakeholders was formed to serve in an advisory capacity to the city council. Working together, the group endeavored to ensure that the new

recreation center would meet the needs of its many users and that staff would have the tools and facilities necessary to serve the community.

Green building elements were incorporated into the site and building design. The project used local building materials, efficient mechanical systems and environmentally sensitive landscaping. The building design has a north-south orientation that maximizes daylight in the space and utilizes heat gain in the winter months to reduce energy consumption, providing significant lifetime cost savings.

*continued*

---

The City of Morgan Hill won the Award for Excellence in the Community Services and Economic Development category of the 2008 Helen Putnam Award for Excellence program. For more information about the program, visit [www.cacities.org/helenputnam](http://www.cacities.org/helenputnam).

### Project Pays Social and Financial Dividends

Morgan Hill celebrated the opening of the \$27.6 million center in October 2006. Totalling 52,000 square feet, the facility was built to promote multigenerational interaction and advance the physical well-being of the community. The CRC's large lobby is a central meeting area for visitors and provides a natural transition between

the center's active recreation spaces (an indoor water park, gymnasium, aerobics room, fitness center, Kids Zone and children's party room) and community spaces (a senior center, teen center, computer lab and multipurpose room with a commercial-grade kitchen).

The pool, with its giant water slide and spray features, serves as the focal point of the design both inside and out. Because

the CRC is adjacent to Morgan Hill's largest park, the design team linked the site with bicycle and walking trails, a creek and a future skate park.

The CRC is operated by a unique partnership between the city and the YMCA of Santa Clara Valley. The parties cooperatively manage and operate the facility as a first-class recreation center for the public's benefit. The partnership resulted from the city's desire to take advantage of the YMCA's experience in offering membership-based health and fitness services while ensuring that city staff remains responsible to the city council and residents.

The CRC offers the community numerous opportunities to participate in recreation activities that improve health, foster youth development, promote multi-generational interaction, encourage active lifestyles, strengthen public safety, support economic development and promote environmental stewardship.

The Morgan Hill community has enthusiastically embraced the facility and all that it has to offer. The CRC currently has 9,500 community members with more than 750,000 visits recorded for fitness classes, swim lessons, open gym activities, health and wellness fairs, senior nutrition, teen events, sports camps, and a "Get Fit" celebration, among others.

License No. 0451271

As officials from other communities visit the center, they learn that investing in a community's quality of life and partnering with other service providers pays both financial and social dividends. As a result of higher than anticipated membership sales, the CRC had a net operating profit at the end of fiscal year 2007-08.

The recreation center has helped solidify the important role that parks, recreation and community services play in the Morgan Hill community. The facility has been a catalyst for improving people's lives. It demonstrates how community facilities represent the spirit of a city by providing recreational, social and developmental programs for residents of all ages.

RPD monthly report

*City of Ridgecrest*

*Police Department*

100 W. California Ave. | Ridgecrest, CA 93555

1 760.499.5100 | fax 760.371.1674

RONALD N. STRAND, Chief of Police

## Press Release

DATE and TIME: April 13<sup>th</sup>, 2009/ 1620 hrs

TYPE OF EVENT: Attempted Murder, Assault with a Deadly Weapon

LOCATION: 500 Blk. W. Argus Ave.

SUSPECT(S): Dalyn J. Lunsford, 25 year old Ridgecrest resident

VICTIM (S): Derek A. Hamel, 29 year old Ridgecrest resident

### SYNOPSIS:

On 04/13/09, at 1620 hrs., Ofc. Travis Gillette was dispatched to the 500 blk. Of W. Argus Ave. on a report of an Injury Traffic Collision. When he arrived he contacted the driver of a gray colored minivan which had collided with a tree in the front yard of a residence in the 300 blk of N. Norma St. He also found a BMW nearby that had major front end damage. Ofc. Gillette contacted the drivers of the vehicles (S/Lunsford and V/Hamel) and soon learned that the incident was not an accident as previously reported.

Ofc. Gillette found that the suspect in this case, Dalyn Lunsford, had been driving E/B on W. Argus Ave., and intentionally rammed his vehicle head-on into the BMW driven by Hamel (W/B on W. Argus Ave.) as Lunsford was upset at Hamel over a dating relationship that they both had with the same female. Lunsford had just left a residence on N. Peg St after having an argument and telling the female that he was going to kill Hamel and the event would "end in bloodshed."

It was also determined that after colliding with Hamel's vehicle, Lunsford's minivan lost control and veered off the roadway into the front yard of a residence on N. Norma St. where it struck a tree.

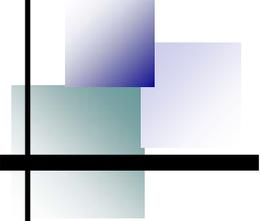

***In Loving Memory.....***

Our condolences to Captain Paul Wheeler, Captain Jon Wheeler, and family for the loss of their father, Donald H. Wheeler, on April 15, 2009. Our continued thoughts and prayers are with the Wheeler family.

---

### **April Highlights**

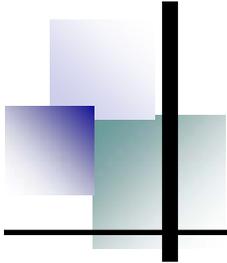

In April, Sergeant Tony Brown started the “Supervisor Leadership Institute.” He attends once a month, for 3 days, and will be attending a total of 8 months. He will be developing and refining his leadership skills. This program is designed specifically for law enforcement.

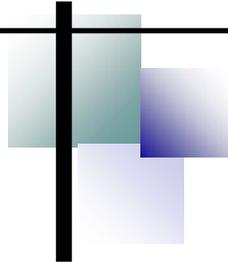

---

### ***Congratulations!***

To....Officer Manny and his wife, Sandra Castaneda, on their new marriage. Best wishes and may you have many joyful years to come!

---

## INVESTIGATIONS

On 04-08-09, CSU executed a search warrant at 328 W. Wilson Ave. CSU had conducted a controlled buy from this location and it was believed that suspects at this location were involved in the sales of methamphetamine. As a result of the search warrant, Officers located approximately 3g of methamphetamine, several items of controlled substance paraphernalia, and stolen property. Two arrests were made for the above violations.

On 04-09-09, CSU assisted Officer Armogida regarding a possession of cocaine for sales case. Officer Armogida had conducted a traffic stop on a vehicle and subsequently located approximately 1/2oz of powder cocaine. CSU arrived on scene and was given consent by the suspect to search his residence. During the search CSU located several items of evidence that provide the suspect was involved in the sales of powder cocaine. CSU also located approximately 6 mushrooms (Psilocybin).

On 04-09-09, CSU conducted a parole search on Terry Hammonds, at 416 W. Wilson Ave. During the search CSU located approximately 1g of methamphetamine, controlled substance paraphernalia, and arrested four subjects for being under the influence of a controlled substance.

On 04-14-09, CSU and General Investigation Detectives responded to the Briarwood Apartments regarding a stabbing victim. The victim had been stabbed multiple times during an altercation with two suspects. The crime scene was processed and the two suspects, Michael Petersen and Brent Keeler, were tracked down, arrested, and interviewed. They were booked on various charges included attempted murder, assault with a deadly weapon, and burglary. Court proceedings are pending.

## PACT

PACT volunteers worked a total of 809 hours during the month of April. PACT volunteers turned 16 Code Enforcement complaint forms in to Code Enforcement Officer Smith. PACT Graffiti removal team members also cleaned up 27 graffiti sites. Also on the PACT front, 53 shopping carts were recovered this month. The new reverse 911 system is now up and running, with four PACT members trained on the system. PACT Coordinator, Nancy Young also attended one new Neighborhood Watch group meeting during the month.

**SUPPLEMENT TO RETURN A  
MONTHLY RETURN OF OFFENSES KNOWN TO POLICE**

INSTRUCTIONS: Total offenses recorded on this form should be the same as the number of actual offenses listed in column 4 of Return A (for each crime class). Include attempted crimes on this form and Return A.

This form deals with the nature of crime (type of act and place committed) and the value of property stolen and the amount recovered. Tally sheets for this form will be send upon request.

**PROPERTY BY TYPE AND VALUE**

Type of Property  (1)		Value of Property Stolen and Recovered in Your Jurisdiction	
		Stolen (2)	Recovered (3)
(A) Currency, Notes, etc.	01	2,366	
(B) Jewelry and Precious Metals	02	11,709	
(C) Clothing and Furs	03	505	
(D) Locally Stolen Motor Vehicles	04	70,000	70,000
(E) Office Equipment	05	7,750	1,000
(F) Televisions, Radios, Stereos, etc.	06	8,938	400
(G) Firearms	07	3,300	
(H) Household Goods	08	30	
(I) Consumable Goods	09	65	63
(J) Livestock	10		
(K) Miscellaneous	11	8,541	471
<b>TOTAL</b>	<b>00</b>	<b>113,204</b>	<b>71,934</b>

NOTE: Total of column (2) should agree with grand total (DATA ENTRY 77) shown on page 2. In column (3) include all property recovered even though stolen in prior months. The above is an accounting for only that property stolen in your jurisdiction. This will include property recovered for you by other jurisdictions but not property you recover for them.

Volunteers served three subpoenas and attempted to serve five more.  
 Six evidence runs were made to Bakersfield.  
 PACT Code Enforcement Patrol Teams turned in sixteen Code Enforcement complaint forms to the CE Officer; All sixteen were sign violations.  
 Seventeen folks attended the monthly evening coffee including Chief Strand on April 22<sup>nd</sup>.  
 One Child ID event was held at Oasis Nursery School with 42 ID's.  
 Abandoned Shopping Carts – fifty three carts were recovered in April in two round-ups. A total of 2037 have been rounded up so far since PACT started the round-ups.  
 PACT added two new AW volunteers in April, Welcome to Kelsey Timmermans and Chandra Gibson with two additional applications pending as well. There are two Full PACT applications pending (in processing) also.  
 Twenty seven Victim letters sent out for Neighborhood Watch.  
 PACT was called out to contain a Crime Scene after an attempted murder. Once the sun came up PACT was recalled to help find the weapon after daybreak three volunteers responded.  
 April 7<sup>th</sup> The New Reverse 911 system was installed and April 8<sup>th</sup> the following day training was held for 2 employees and 2 volunteers.  
 One Neighborhood Watch meeting was held on the 700 block of W. Felspar with 18-20 people attending. Nancy Young conducted the meeting as the assigned officer was unable to attend.

MONTHLY SUMMARY

April, 2009

	<b>Current Month</b>	<b>YTD Total</b>
<b>Reserve Hrs.</b>	<b>119.5</b>	<b>326</b>

During the Month of *APRIL* Reserve Officers worked the following hours:

Officer Kiren	0.0 (On Personal Injury)
Officer Dysart	34.5
Officer Schatz	32.0
Officer Robbs	07.0
Officer Dorrell	26.0
Officer Regan	07.5
Officer Mitchell	08.0
Officer Kinslow	04.5

This month, members of the Reserve Organization augmented Patrol, assisted with Range, "Teen Court", Search Warrant Team and Perishable Skills training.

Prepared by:

  
Tony Brown  
Sergeant

## Reserve Report for the Month of April 2009

The Reserve Officers achieved a total of 119.5 hours for the month of April. Officers Dysart and Schatz contributed 34.5 and 32 hours respectively.

Reserve and range meetings accounted for 22 percent of the reserves administration time with 26.5 hours.

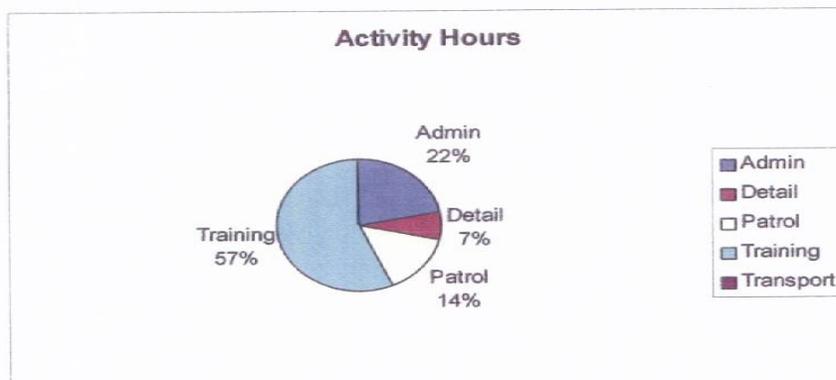

Reserve Officers Kinslow and Regan logged a total of 8 hours of detailed time assisting Teen Court, which accounted for 7 percent of the reserves total time.

Officer Dorrell and Mitchell provided 17 hours of patrol time, which accounted for 14 percent of the total reserve hours.

Training accounted for 57 percent of the reserves total time and a total of 68 hours. Officers Dysart and Schatz attended perishable skills training which made up most of the time, while Range Qualification and CPR training accounted for the rest.

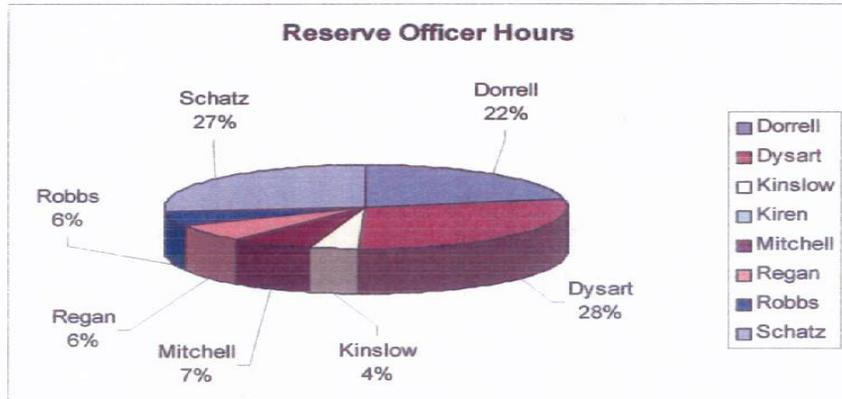

The following is a breakdown of the Reserve hours:

Administration	26.5 hours	22%
Details	8.0 hours	7%
Patrol	17.0 hours	14%
Training/Range	68.0 hours	57%

Reserve Officer hours for the month of April:

Dorrell	26.0 hours	22%
Dysart	34.5 hours	28%
Kinslow	4.5 hours	4%
Mitchell	8.0 hours	7%
Regan	7.5 hours	6%
Robbs	7.0 hours	6%
Schatz	32.0 hours	27%

## April 2009

### Services

**Bus Passes**  
**Business Licenses**  
**Dog Tags**  
**Accounts Payable**  
**Accounts Receivable**  
**Payroll**  
**Budgeting**  
**Accounting**

### Staff

**Tess Sloan – Interim Admin Services Director**  
**Tyrell Staheli – Budget Accountant**  
**Kristi Cole – Accountant**  
**Margaret Rana – Payroll**  
**Kelly Brewton – Accounts Payable**  
**Pat Anderson – HR/Payroll Assistant**  
**Virginia Johnson – Account Clerk/Front Counter**

**Phone: (760) 499-5020**

**Fax: (760) 499-1520**

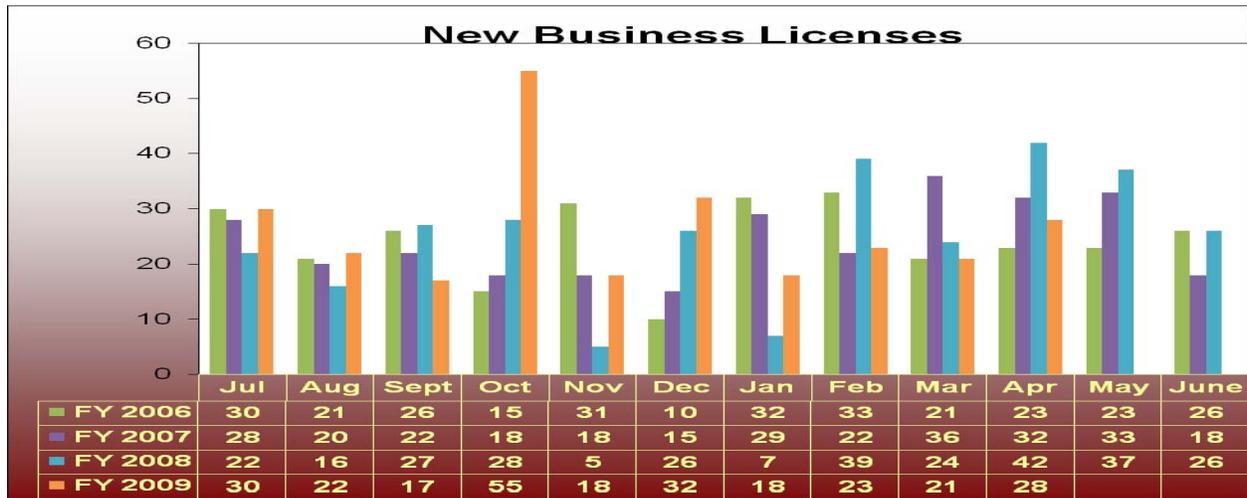

**Finance Division – April 2009**

---

**FRONT COUNTER**

Business License – There were 33 more licenses fully renewed this month and 2 partial renewals. Virginia printed and mailed all renewed licenses. She also printed, folded and mailed 4th Renewal Notices. It was also discovered that Springhill Suites does not have a business license, so Virginia is in contact with them to correct this. The application form has been updated to include a spot for an e-mail address of the business.

Scanning – Virginia got one check runs scanned into Questys.

Filing – Virginia filed all month end, adjusting journal and budget adjustment batches.

Accounts Payable – Virginia helped Kelly enter batches for the 04/24 and 05/01 check runs due to travel and sick leave of other office members.

Payments – Virginia processed and submitted the rabies and spay/neuter request from Jansen’s Animal Hospital for payment through Accounts Payable.

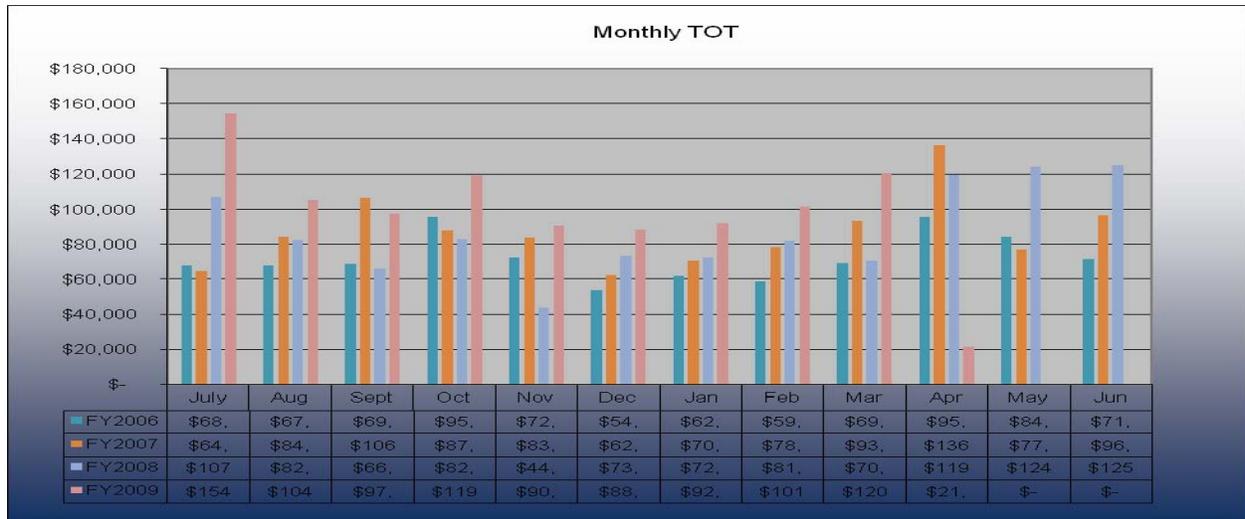

Storage Unit – Virginia and Derek (Y.E.S.) went to the storage unit to arrange all the boxes within each section (i.e. AP’s, Payroll, and Cash Receipts) according to destruction date to make it easier to find and retrieve the items when they are needed.

Miscellaneous projects – In addition to answering the phone, helping customers at the counter, and processing payments, Virginia updated monthly spreadsheets and distributed mail daily.

Problems – The only major problem that Virginia came across is that as we get closer to fiscal year end, there is more and more work that needs to be done ☺

## Finance Division – April 2009

### May To Do List:

1. Complete W-9 scanning.
2. Complete Business License scanning.
3. Check Business License and W-9 scanning before OCR and archiving.
4. Get caught up on check run scanning.
5. Complete arranging and cataloging storage unit.
6. Write macro for Tess. Ordered Excel 2007 book to aid in this task.
7. Organize the conference room filing.
8. Finish labeling boxes going to the storage unit and move them to the storage unit. Take boxes to storage and bring back boxes that can be shredded.

## ACCOUNTS PAYABLE

### Reminders and Requests

- **AP deadline is the Friday before the check run by 10am, unless otherwise specified.**
- When you receive utilities please get them coded, signed and return to Account Payables the next business day. We do try to get the utilities put in the Blue guard mail envelopes so please pay close attention to these.

## Finance Division – April 2009

---

- Receipts need to be turned in no more than 5 days after date of purchase (excluding cal card)
- Cal-Cards: Please hold on to receipts until you receive the cal card statement then send coded and signed receipts and statement to APs
- Remember all Account Payable documents are now scanned, so please try to remove as many staples as possible and use paper clips to keep papers together. (if they are tiny receipts you may staple them and we will take the staples out)
- Please do not tape receipts to paper
- Please write description of what was purchased, if it is not clearly stated on the receipt.
- Please do not write over descriptions on receipts.
- Please keep receipts away from heat.
- Please do not highlight receipts, now that most receipts are printed on thermal paper the high lighter erases what was highlight with in only a couple days.
- If submitting a check request in which back up needs to be sent with the check PLEASE include an additional copy. If an additional copy is not attached, nothing will be sent with the check.

### Work Completed March 2009:

1. Processed and paid 833 invoices
2. Processed a total of 351 checks
3. Paid out \$846,301.20 to vendors

## **ACCOUNTING SERVICES**

Reverse Auction – On April 9<sup>th</sup>, Kristi made a presentation to the City Organization Committee about Reverse Auction. This project was requested by City Manager Avery. The City will now be participating in reverse auctions for our major purchases. If you would like more information, please contact Kristi at ext. 5023.

NSF (non sufficient funds) Checks – Every department that accepts payments now has an updated “Do Not Accept” list. **PLEASE** review the list, any person (family) who has written two NSF checks to the City in the last seven years can no longer write checks to us.

### On-going duties

- Assisted Interim Admin Services Director with month end processes for closing the accounting period – bank recons, various allocations.
- Verified edits for Accounts Payable.
- LAIF investment transfers.
- Prepared and sent out billing to Kern County for the Transit System services and Senior Center charges and rent.

# CITY OF RIDGECREST

## FINANCIAL PERFORMANCE REPORT AND TREASURER'S CASH SUMMARY

As of March 31, 2009

This report summarizes the activities of the operating funds, but is not meant to be inclusive of all finance and accounting transactions. It is intended on to provide the City Council and the public with an overview of the state of the City's fiscal condition.

---

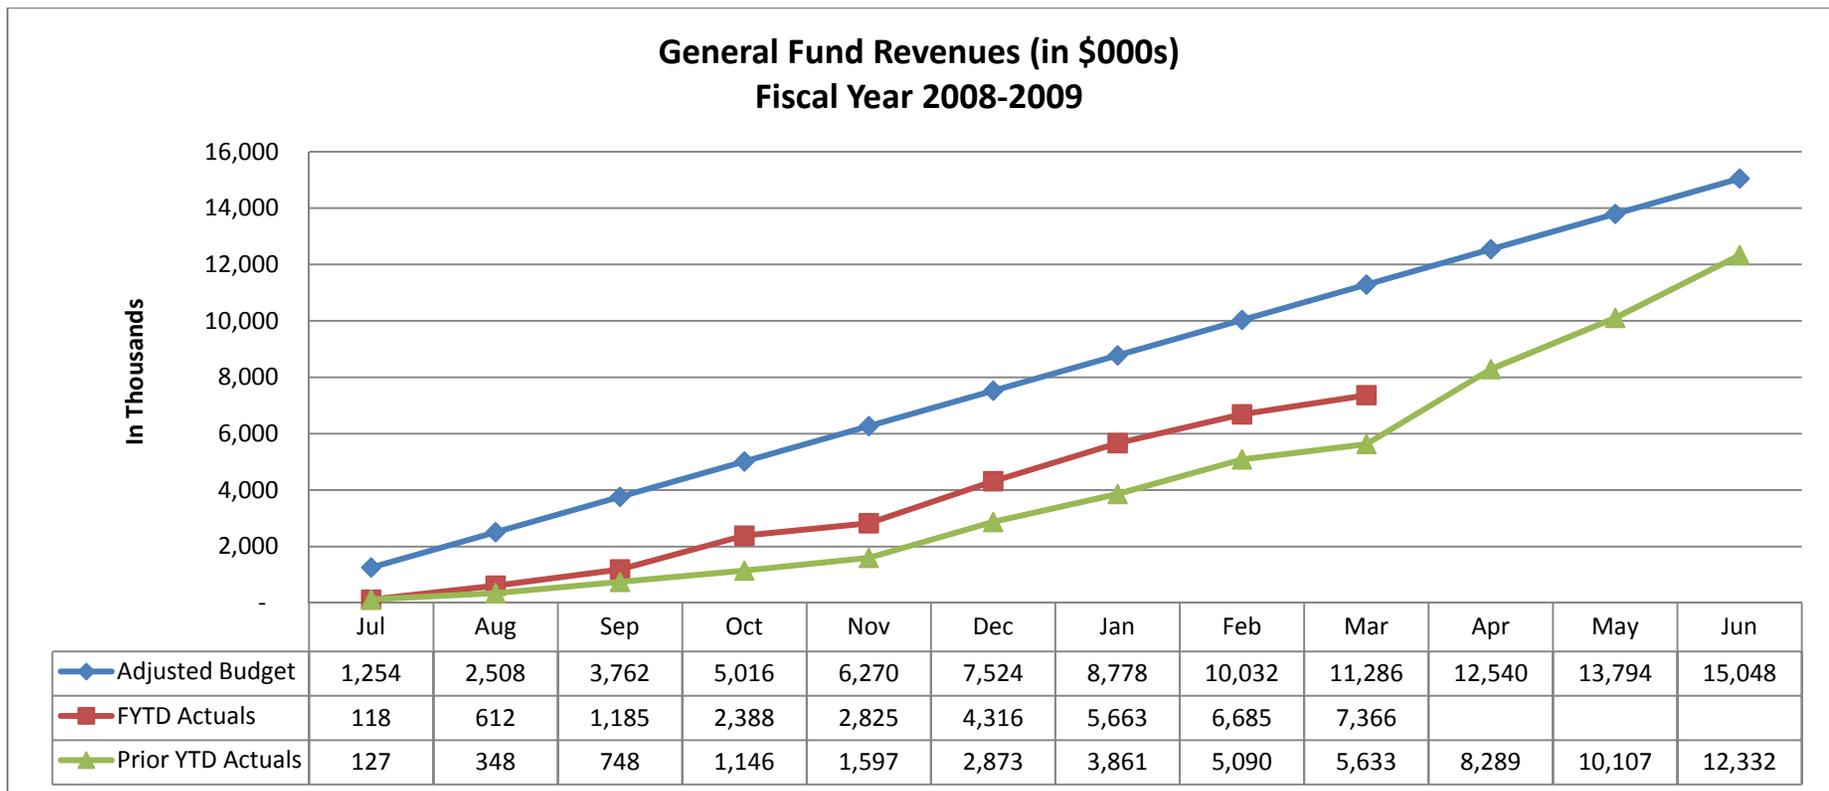

Prepared by Tess Sloan, Interim Administrative Services Director

# GENERAL FUND FINANCIAL SUMMARY

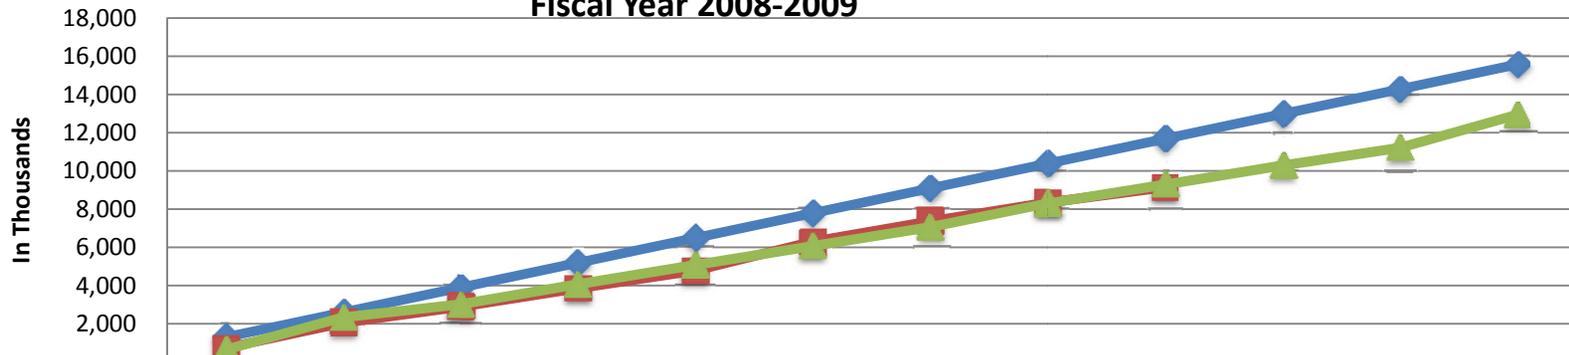

The General Fund receives its funding from general revenue sources such as taxes, fines, licenses and charges for services. The General Fund pays for services such as Public Safety, Cultural and Recreation and Parks Maintenance, Public Works, Community Development, and other general government services.

Expenditures shown in this report represent actual paid expenses and do not include encumbrances.

The City does its budget estimates on an annual basis. The monthly budget information on some of the graphs is shown on the assumption that revenues and expenditures are evenly distributed throughout the year.

### General Fund Expenditures (in \$000s) Fiscal Year 2008-2009

	Jul	Aug	Sep	Oct	Nov	Dec	Jan	Feb	Mar	Apr	May	Jun
Adjusted Budget	1,298	2,595	3,893	5,191	6,488	7,786	9,084	10,382	11,679	12,977	14,275	15,572
FYTD Actuals	728	2,043	2,895	3,857	4,786	6,298	7,361	8,339	9,145			
Prior YTD Actuals	645	2,339	3,021	4,071	5,079	6,065	7,059	8,299	9,285	10,286	11,204	12,944

## GENERAL FUND REVENUES

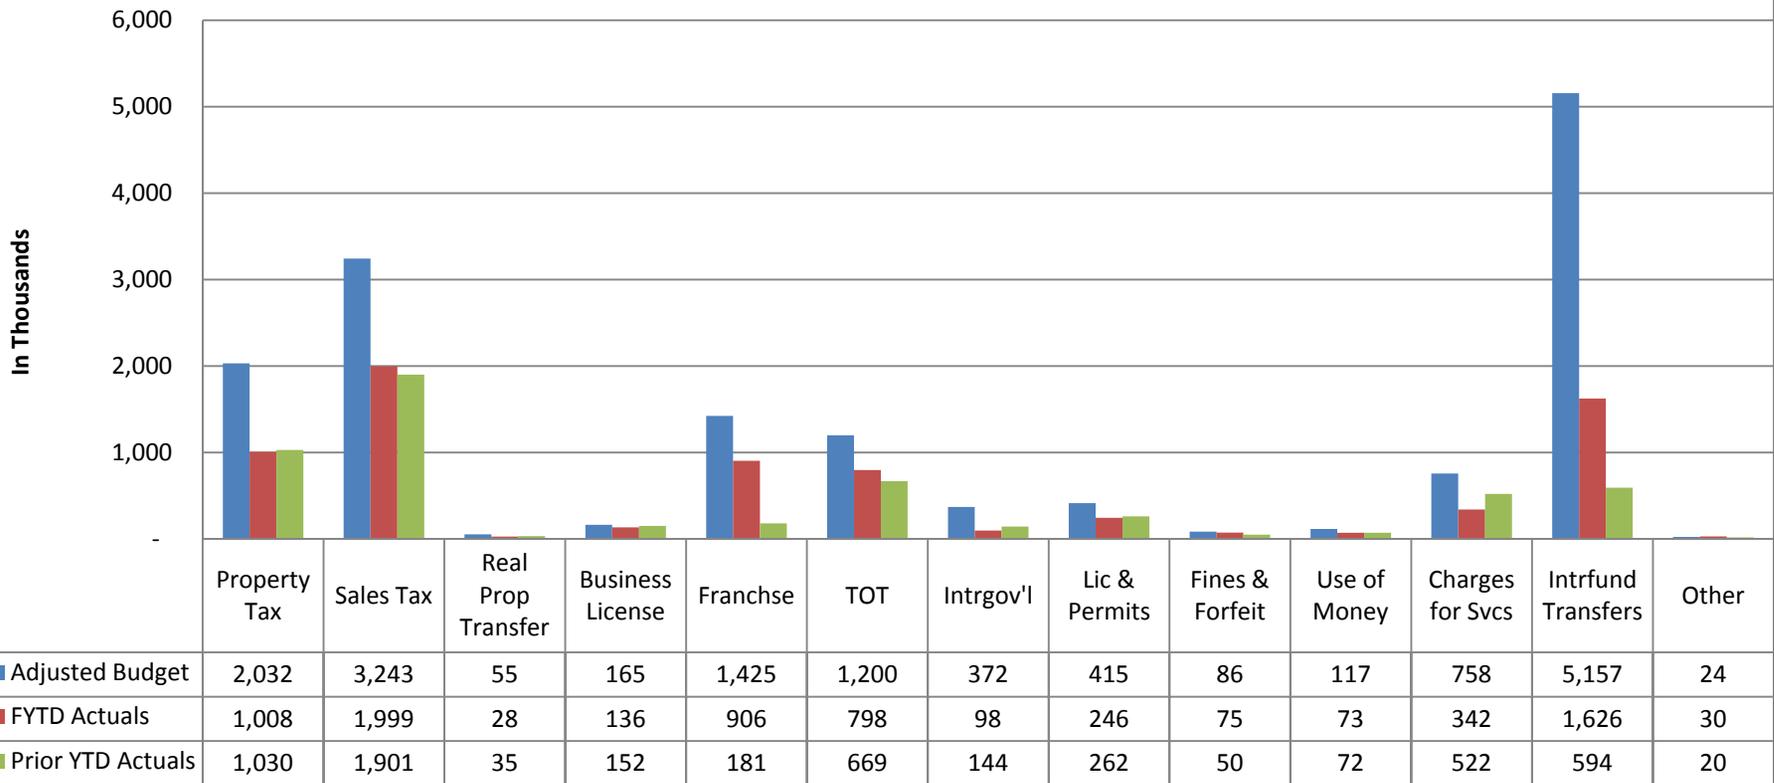

The City's General Fund received \$680,698 in revenues for the month of March 2009. For the nine month period Sales Tax and Property tax account for 41% or \$3 million of the total general fund actual revenue of \$7.37 million. Compare that to the same time period in FY 2008, the City received \$2.93 million. Most of the increase was due to the increase in sales tax revenue. TOT revenues are slightly higher than last fiscal year's by \$130K due to addition of the Springhill Suites. Business License revenue is down this year by \$15K as compared to the same time period of last fiscal year. Total Franchise fees collected for the month were \$8,394 which represents Solid Waste franchise. Cable, electric and gas franchise are collected once a year.

For this month, there was no interfund transfer made from other funds to cover the cash deficit. In February 2009, the amount budgeted for interfund transfer from Self Insurance fund was completed. The other interfund transfer planned was coming from RRA and the Budget Accountant is in the process of getting resolution approved prior to transfer.

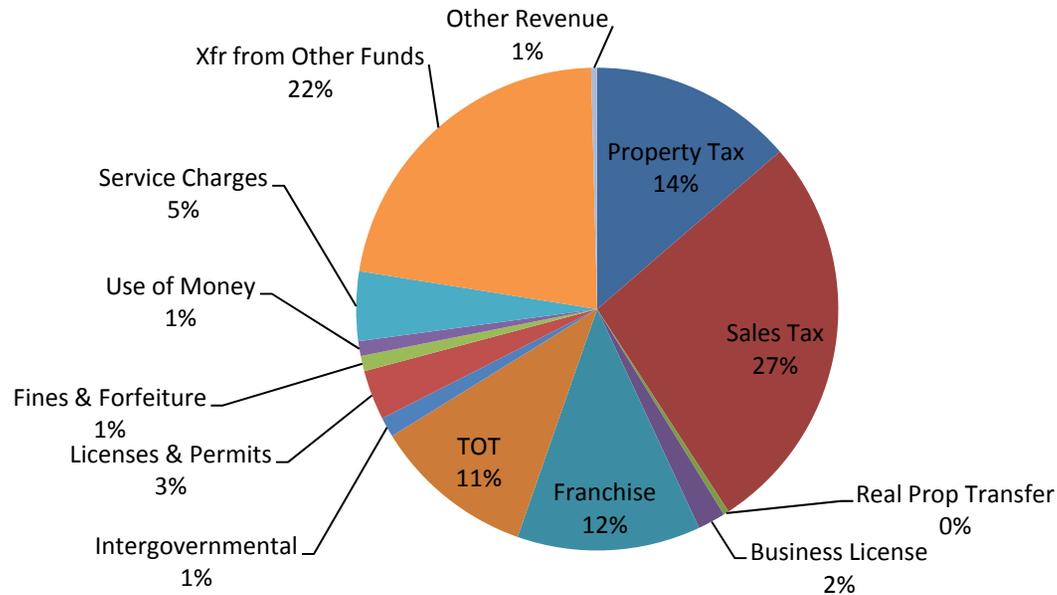

All in all, although the City's General Fund revenues were up by \$1.7 million and we have collected 49% of our budgeted revenue. Compared that to FY 2008 where revenue collected was only 38% of the budget and \$44,592 more than the previous FY. In this fiscal year the General fund received wastewater franchise fee of \$725,000 in October 2008. Whereas for FY 2008 the franchise collection was not made until the later part of the FY (April 2008). Next month general fund is expecting to receive property tax in lieu of MVLF and that amount is about \$759k.

A statement of revenues and expenditures for ALL funds is included in this report. This statement will show the total budgeted revenues and expenditures, actual revenues and expenditures, percent of actual to budget, and the difference between revenues received over expenditures paid. A negative number in the last column of this statement means that the fund expended more than it received.

# GENERAL FUND EXPENDITURES

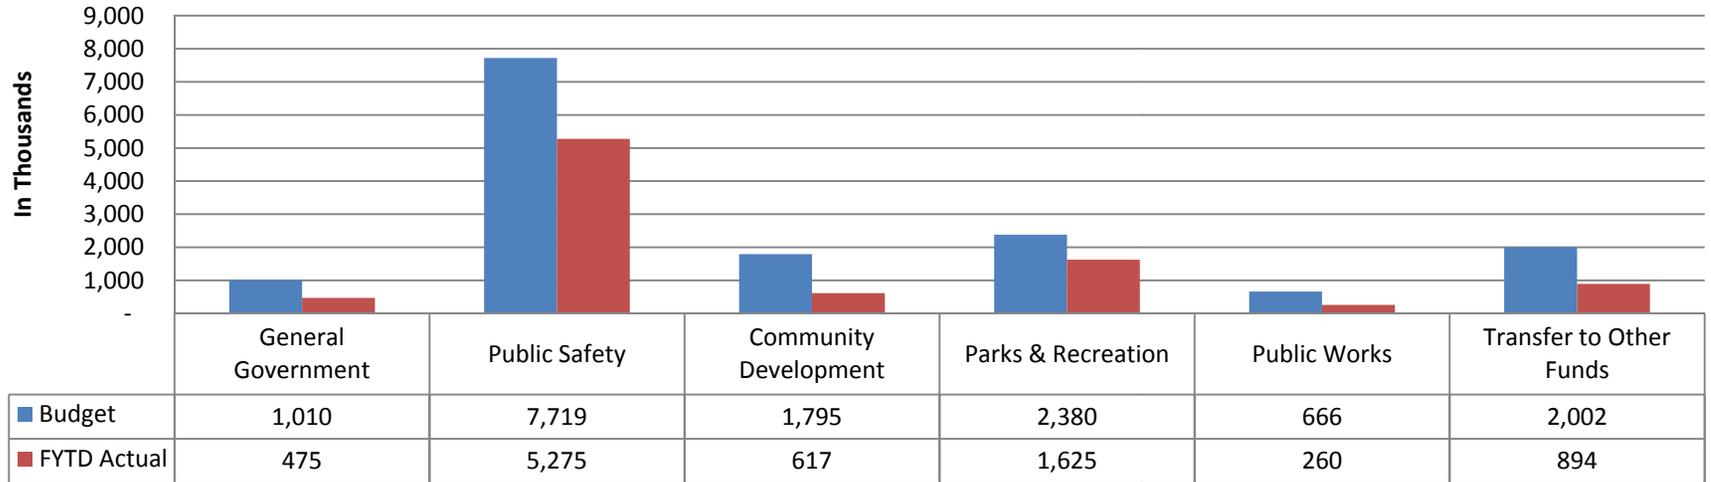

General Fund spending thru March 2009 is 58% of the \$15.57 million adjusted budget for the fiscal year. General Fund spending is \$2.5 million below projection. Every department operated at either within or below the budget benchmark of 75%. Of the total general fund actual expenditures of \$9.14 million, 57% of this or \$5.3 million went to Public Safety; 18% or \$1.6 million went to Parks & Recreation; 7% or \$0.617 million went to Community Development; 5% or \$0.475 million to General Government; and 3% or \$0.260 million to Public Works

Total transfer to other funds is \$893,876. The funds that received money from General fund are Gas Tax fund \$384,238; Parks & Rec Donation fund \$6,303 for the Quality of Life project; Self Insurance fund \$352,976 for insurance cost allocation; and to Debt Service fund \$150,359.

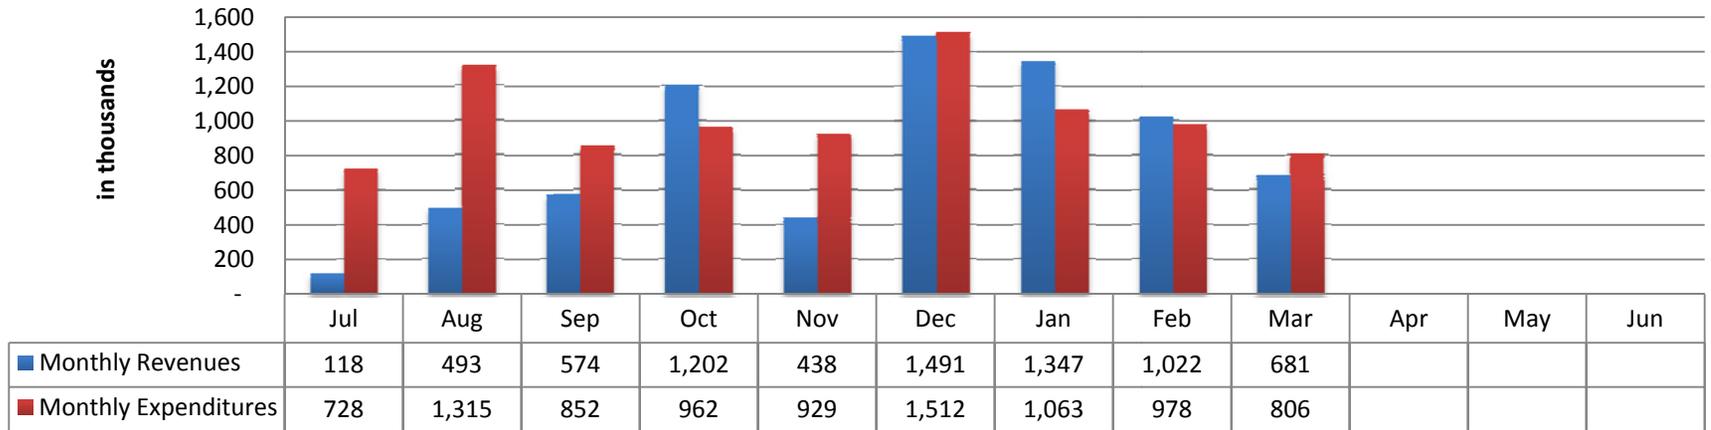

### Actual Expenditures by Function - FY 2009

### Expenditures by Function compared with Budget(in \$000s) Fiscal Year 2008-2009

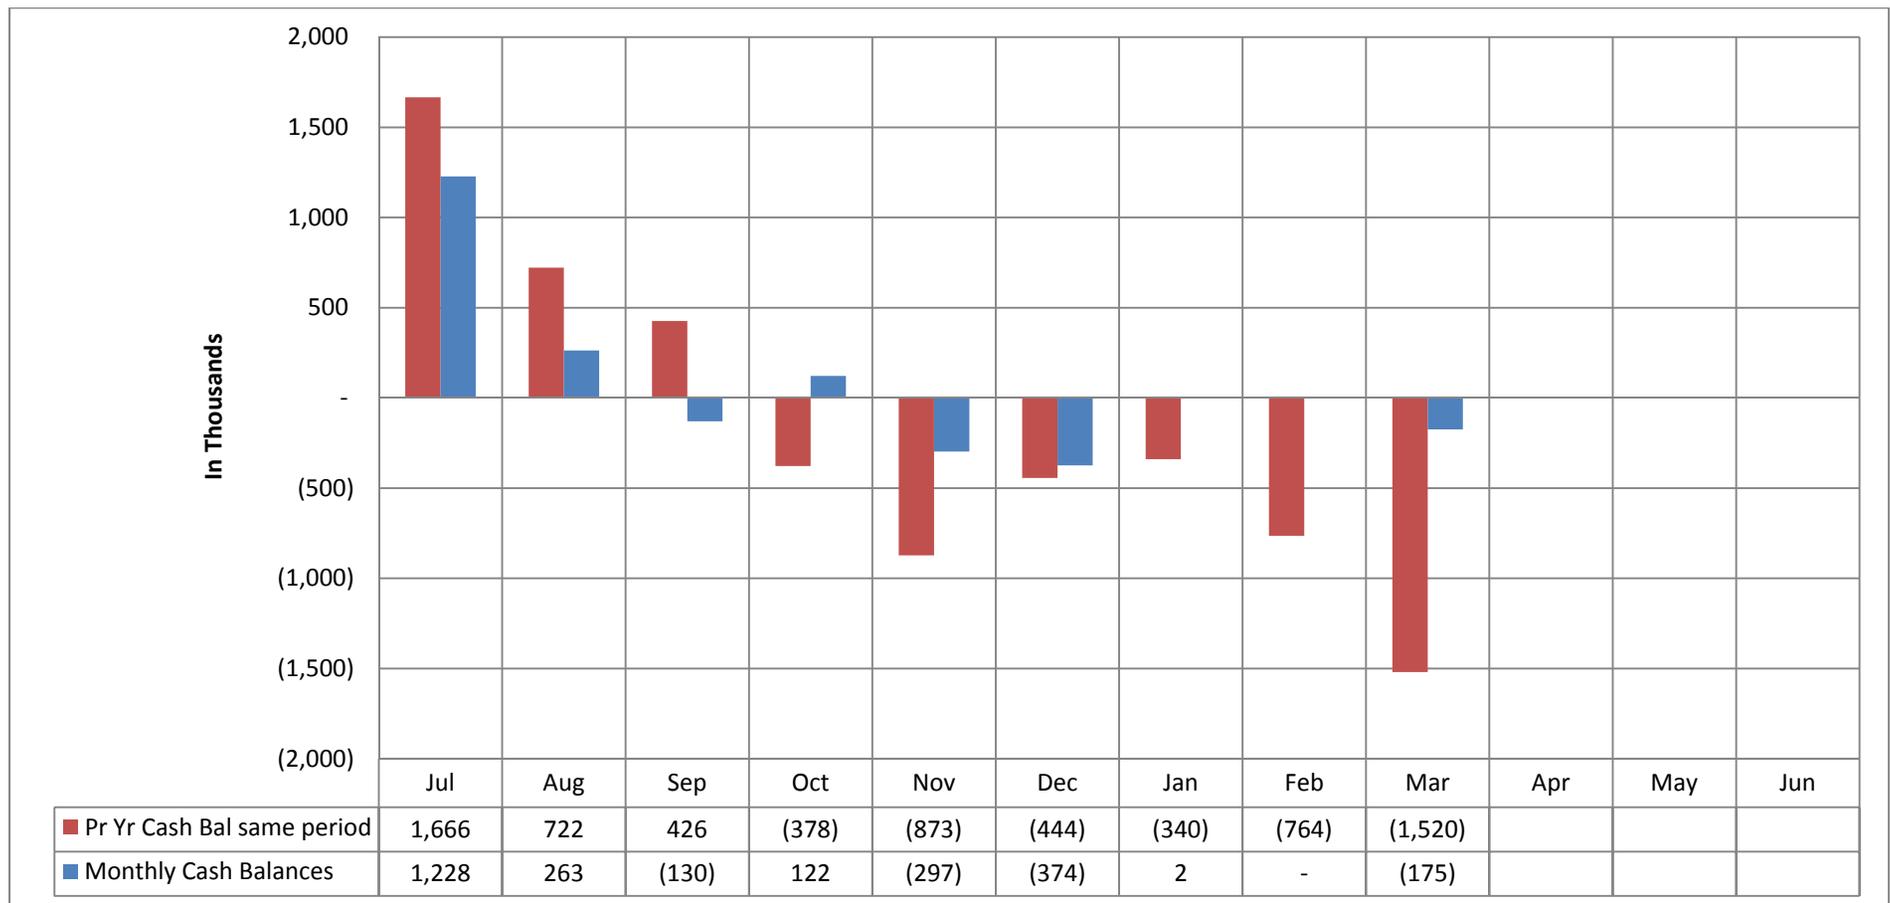

### General Fund Revenue & Expenditures Comparison by Month (in \$000s) Fiscal Year 2008-2009

## GENERAL FUND – CASH BALANCE

Just like a personal bank account, the General Fund’s “cash balance” is the amount of money in the bank on a particular date and in this case the City reconciles its bank account at the end of each month. On July 1<sup>st</sup>, at the start of fiscal year 2009, the General Fund has a beginning cash balance of \$1.66 million. By end of March 2009, has a negative balance of \$175,454. Total cash inflow from operations for the month was \$502,921 while total cash outflow from operations was \$858,780 giving us net cash used by operations of \$355,859. General Fund covers the payment of the City’s debts other than the bond obligations. There are currently three loans left and they are PD Copier lease, loan to repair the roof and the City Hall Building retrofit. Total transfer from General Fund to Debt Service Fund for the month was \$3,814. An interfund transfer of \$184,566 from Self Insurance fund was made this month to reduce the cumulative cash deficit. It is expected that this deficit will be much lower in April or may not be there due to anticipated receipt of the Property Tax in lieu of MVLF and that amount is \$759,743.

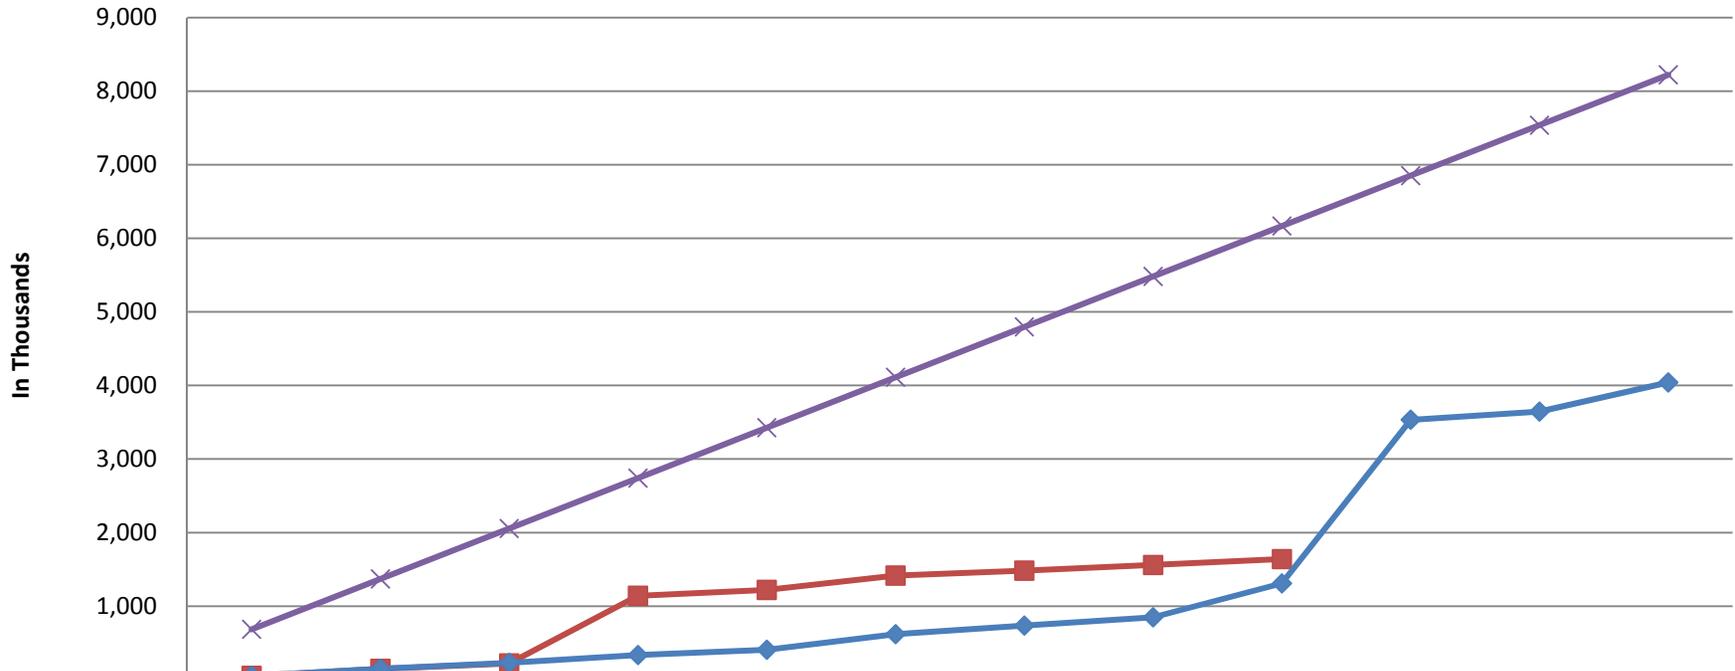

# ENTERPRISE FUND - WASTEWATER FUND

The charts below provide information pertaining to the operations of the City's Wastewater Fund. Both the revenue and expenses of the Wastewater Fund are below budget. Revenue received for the seven month period was \$1.5 million which is about 58.5% of the budget for the year, way below the benchmark of 75%. Expenses for the nine month period totaled to \$1.64 million which represent 20% of the appropriations for the year. Of the total expenses, \$1,015,623 was spent in Wastewater Administration, \$460,381 for Treatment, \$6,639 for Reclamation and \$2,785 for Collection System and \$155,034 in transfers for insurance and overhead. For the nine month period, the fund spent more in expenses by \$125,786 than it received in revenue. Wastewater budgeted a \$4 million capital project for this fiscal year that has yet to start.

## ENTERPRISE FUND – T.D.A. TRANSIT FUND

The chart below provides information on the operation of the TDA Transit Fund. Both revenue and expenses of the fund are below the budget. Revenue received for the nine month period was \$923K which is 66% of the annual budget. Included in this revenue was the TDA funding received as of March 2009 in the amount of \$773,599. Of that amount, \$287,850 came from State Transit Assistance Fund. Due to state budget crisis, this funding is not going to be there in the next 5 years. Farebox collected for the fiscal year amounted to under \$37,417 while collections from Kern County for service rendered outside the city limit amounted to under \$104,219.

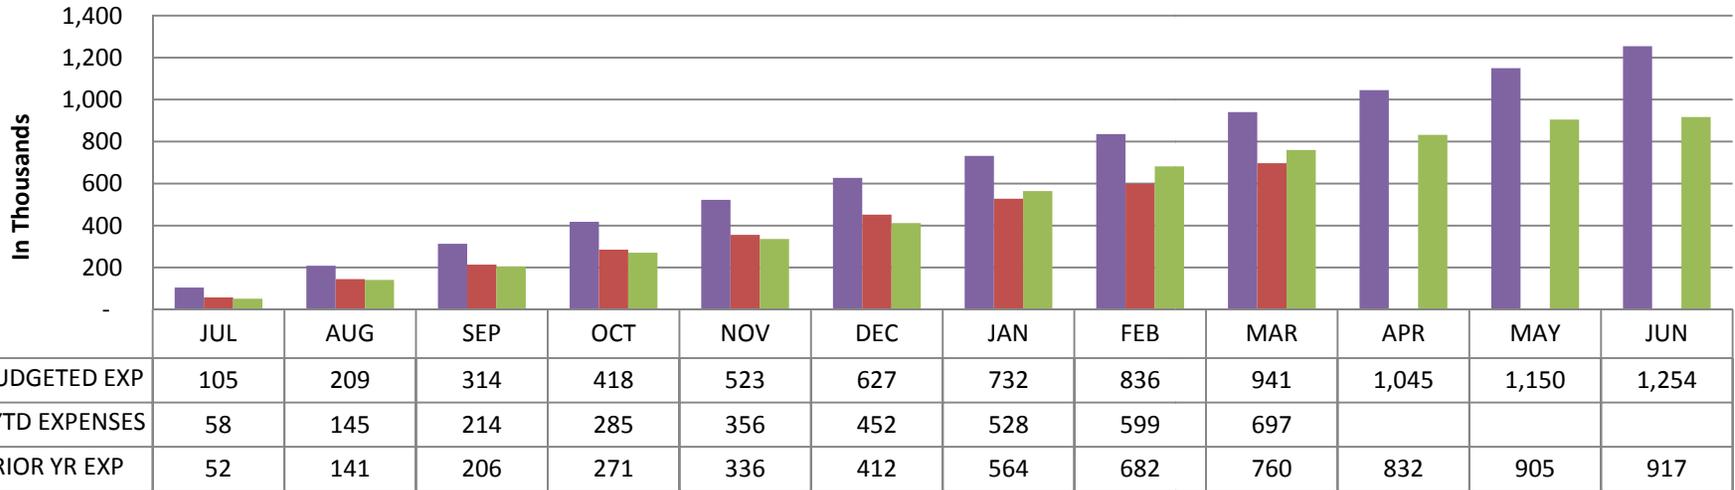

The decrease in revenue from May to June in the prior year revenues was due to having to defer portion of the TDA funding received last fiscal year to FY 2009.

Administrative Secretary

## PUBLIC SERVICES DEPARTMENT

The Public Services Department has continued to devote most of its effort this month to the California Integrated Waste Management Board and the results of an Administrative Penalty Hearing process. A status report is an Agenda Item and is not presented as part of this report. However, an Earth Day Fair was scheduled and cancelled for the weekend before Earth Day; April 22, 2009, and would have been a great opportunity for residents to become engaged in conservation, recycling, global warming, and environmental issues and opportunities. Danielle Valentine, the City's Recycling Coordinator and YES staff did participate in an Earth Day Event on base with Castle X. In addition, the City co-sponsored the Daily Independent Go Green Festival 2009 on May 01, at the Kerr McGee Community Center. It was another opportunity for the community to become engaged and see eco-friendly services, products, and displays. The City's display was Think Green!, leading the way in Energy Conservation and Diversion Efforts; Recycling, Reducing, Reusing, and Solar and Energy Shifting Projects.

The Economic Development staff is continuing to advance several existing projects. These include the Super Wal-Mart Retail Center; the new Vimco Development motels at 141 and 553 South China Lake Blvd; completion of the Pizza Factory and Hampton Inn Hotel; potential expansion of Kerr McGee Youth Sport Complex by a land trade, and CDBG improvement to a City owned facility used by the Southern Sierras Boys and Girls Club.

## PLANNING COMMISSION:

May 12, 2009

### TAFT CORPORATION - PRE ZONING CHANGE AND TENTATIVE TRACT MAP 6731 APPROVED

The Planning Commission approved a 120 residential lot proposal on 40 acres of vacant property located north of the NE corner of S. Norma St. and Kendall Ave. This property is located outside the City limits within unincorporated Kern County. The proposed zoning for the site is E-2 (10,000 sq. ft. minimum lot size).

The primary concerns expressed by the Planning Commission related to Police Department, Fire Department and Air Pollution Control District recommendations that there be two paved accesses to the subdivision. The approved roadways include requirements for two routes: 1) S. Norma St. south to Kendall Ave. and Kendall Avenue east, (purple route above) and 2) S. Sierra View St. north to Springer St. and Springer St. west to Downs St., (green route above).

Additional conditions of approval placed upon this subdivision include the following:

- A dual use park/sump, (with side slopes not to exceed 5:1),
- A 30 foot recreational parkway along Norma Street,
- Each lot to be a minimum size of 10,000 square feet, and
- The establishment of a Landscaping and Lighting Act District.

## TWO DRAFT ENVIRONMENTAL IMPACT REPORTS AVAILABLE FOR PUBLIC REVIEW

### RIDGECREST GENERAL PLAN UPDATE DRAFT EIR

This draft environmental impact report (EIR) is designed to assess the environmental impacts of the proposed City of Ridgecrest General Plan 2030 Update (Proposed Project), which includes the Preferred Land Use/Circulation Alternative (hereby referred to as the Proposed Project). The City of Ridgecrest will act as the CEQA lead agency. The information contained in this EIR will be used to inform local decision makers and the general public of any significant environmental impacts associated with the project, and assist City officials in reviewing and adopting the Proposed Project.

As described below, this EIR will also be used as a first-tier environmental document for the subsequent environmental review of a variety of City projects including future specific plans, infrastructure improvements, general plan amendments, and other local development projects.

This chapter presents a summary of the draft EIR. As part of this summary, the chapter provides an overview of the Proposed Project, identifies the impacts and mitigation measures associated with the analysis of the Proposed Project, and identifies alternatives considered as required by the California Environmental Quality Act (CEQA).

### Public Review Period May 12, 2009 – June 25, 2009

#### Available Copies

*This document is available to the public for review at Ridgecrest City Hall. This document should be available online at the City of Ridgecrest website by May 19, 2009. Also, this document may be purchased, (either paper version or CD), by contacting the Ridgecrest Planning Division at (760) 499-5066.*

## SUPER WAL-MART DRAFT E.I.R.

For the Ridgecrest Wal-Mart and Retail Center, the City of Ridgecrest prepared an Initial Study and circulated it along with the Notice of Preparation (NOP) of an Environmental Impact Report (EIR) on December 6, 2005. A Draft EIR ("July 2007 Draft EIR") was initially prepared for the Ridgecrest Wal-Mart and Retail Center project and was circulated in July 2007 for review and comment by the public and other interested parties, agencies, and organizations, for a period of 45 days. Comments were received by the City during the review period. The City did not certify the July 2007 Draft EIR.

The decision was then made by the City to prepare a Revised Draft EIR pursuant to CEQA Guidelines Section 15088.5(a) as a result of the availability of new information. Pursuant to Section 15085 (d), Title 14, California Administrative Code, this Notice of Availability is to advise that the City of Ridgecrest has completed the Revised Draft EIR for the proposed project described below and that the Revised Draft is available for public review.

Furthermore, this notice will also serve as a Notice of Recirculation, which pursuant to Section 15088.5(f)(3) shall be sent to every agency, person and organization that commented on the July 2007 Draft EIR. To those parties that provided comments on the July 2007 Draft EIR, the City advises that it will accept new comments on the Revised Draft EIR. In addition, the City will also prepare responses received on the July 2007 Draft EIR. Collectively, responses to comments on the Revised Draft EIR and the July 2007 Draft EIR will be included in the Final EIR.

**Project Location:** The project site is an approximately 28.5-acre site located on the southeast corner of Bowman Road and China Lake Boulevard.

**Project Description:** The proposed project consists of the construction of a Wal-Mart store, a gas station, and the grading of two additional parcels on approximately 28.5 acres.

### Public Review period

May 13, 2009 – June 26, 2009

### Available Copies

*This document is available to the public for review at Ridgecrest City Hall. This document should be available online at the City of Ridgecrest website by May 19, 2009. Also, this document is may be purchased, (either paper version or CD), by contacting the Ridgecrest Planning Division at (760) 499-5066.*

## ECONOMIC DEVELOPMENT:

The month of April has been a busy one with a lot of renewed developer interest in the City of Ridgecrest - occurring in both the housing and retail segments of the market. Discussions with several retailers on their interests in establishing stores in Ridgecrest - as a result we have several appointments for the upcoming International Council of Shopping Centers (ISCS) Conference to be held in mid May.

Other activities this month have included work with the Boys and Girls Clubs in their efforts to remodel their existing building; meetings concerning the expansion of tourism in the area of off-roading through groups such as Friends of Jawbone and our local RACVB; work on the newly emerging EKern, a new collation of several East Kern County communities and special districts, with the goal of building an active economic development marketing effort solely for Eastern Kern; new discussions with two solar energy firms on siting solar plants in the IWV Valley - potentially bringing in over 225 jobs.

Staff have also worked on the development of a draft water conservation ordinance and sign ordinance with Planning staff and key members of the Community Development Committee; funding options for the development of private sector housing and retail projects; negotiation on the sale of three lots within in the Ridgecrest Business Park for new office building projects; support of several ongoing construction projects involving hotels and office projects; and work in support of the base BRAC and recruitment office for new hires on base and the upcoming Empire Challenge event.

Other meetings attended this month include; Friends of Jawbone , IWV2000, Chamber Luncheon and Board Meetings , RACVB Board Meeting , EKern Board Formation Meeting s, Gavea , China Alliance Luncheon, and several others.

The next several months may see growth in our retail and housing sectors along with the entitlement process for our new potential Super Wal Mart.

# What is Safe Routes to School?

Safe Routes to School is an international movement that has taken hold in communities throughout the United States. The concept is to increase the number of children who walk or bicycle to school by funding projects

### **Why is Safe Routes to School important?**

Thirty years ago, 60% of children living within a 2-mile radius of a school walked or bicycled to

that remove the barriers that currently prevent them from doing so. Those barriers include lack of infrastructure, unsafe infrastructure, lack of programs that promote walking and bicycling through education/encouragement programs aimed at children, parents, and the community.

school. Today, that number has dropped to less than 15%. Roughly 25% commute by school bus, and well over half are driven to/from school in vehicles. And back then, 5% of children between the ages of 6 and 11 were considered to be overweight or obese. Today, that number has climbed to 20%. These statistics

point to a rise in preventable childhood diseases, worsening air quality and congestion around schools, and missed opportunities for children to grow into self-reliant, independent adults.

Safe Routes to School Programs are intended to reverse these trends by funding projects that improve safety and efforts that promote walking and bicycling within a collaborative community framework. It is through local champions working with a coalition of parents, schools, professionals in transportation, engineering, health, law enforcement that the most sustainable projects are expected to emerge.

*(Continued on page 2)*

## **Norma Street Project to get Under Way**

The contract for the South Norma Street Project to International Pavement Solutions will be presented at City Council on May 20th 2009. Construction on South Norma should begin within the next 6 weeks.

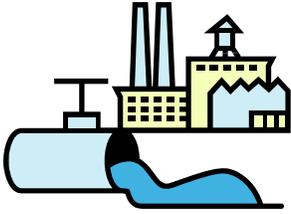

Advertising for the Repaving of North Norma from Ridgecrest Blvd to Las Flores and Ward Avenue from Downs to Mahan began this week. Notices of Seal Bids will be accepted to the City Clerks Office until

June 3, 2009. This project is expected to get underway in mid July.

*“Thirty years ago, 60% of children living within a 2-mile radius of a school walked or bicycled to school.”*

### Wastewater Report

The City of Ridgecrest WWTF operated within design and compliance directives issued under Board Order No. 6-00-56. The treatment facility operated with no discharge violations or abnormal conditions.

The Department inspected and passed (3) new connection to the sanitary sewage system. The department also responded to (4) requests for service (1) odor complaint, (2) Main line blockage and (1) inspections of the main line sewer, that were determined to be prop-

erty owner responsibility.

The Department performed periodic maintenance on the Circular Clarifier; the department also replaced a 38 ft. section of damaged pipe on the circular pivot line.

The Reclamation Department reclaimed 3.107 million gallons of secondary effluent for use as fodder crop irrigation.

The Department finished the planting of the north side of No. 1 pivot, with an alfalfa, Bermuda

grass blend of fodder crop seed.

The Department hydro flushed 1,700 ft. of main line sewer as preventative maintenance.

### Speed Zones

*(Continued from page 1)*

viable safe routes for school children

around schools; get information and seek out resources; and propose alternatives that would correct those needs/hazards.

### State and Federal Safe Routes to School Programs

There are two separate and distinct Safe Routes to School programs. One is the State-legislated Program referred to as SR2S and the other is the Federal Program referred to as SRTS. While both programs are intended to achieve the same basic goal, of increasing the number of children walking and bicycling to school and making it safer for them to do so; they differ in several respects. In California, the SRTS program is commonly used to deliver

### How to get started

While every community is unique, the basic steps to consider prior to submitting an application for Safe Routes to School funds are:

- Identify community stakeholders and form a multidisciplinary team of partners committed to working together in developing a community vision, developing project applications, and implementing those projects if selected for funding.
- Inventory and identify safety needs/hazards

- Prioritize alternatives and adopt the best alternative that proposes short-term and long-term safety solutions in the form of projects.

- Develop a plan. Submit an application to secure funding for project within that plan
