 City Manager Exec. Secretary

Rita Gable **Rachel Rumbo**
 City Clerk Deputy City Clerk

Ann Taylor **Craig Bradley**
 Adm. Analyst III MIS Manager

Karen Guidangen **Starla Shaver**
 Risk Management Adm. Analyst I

City Manager

City Manager Mike Avery along with the City Council held special budget hearings that began on June 9th and ended on June 11th to allow the Council and the Public the opportunity to participate in discussions. Additionally, the June 9th meeting included a closed session discussion item that focused on Labor Negotiations regarding United Food and Commercial Workers Local 1036 (U.F.C.W.), Police Employee

Association of Ridgecrest (P.E.A.R.), Management, Mid-Management, and Confidential groups. The June 17th City Council meeting introduced a resolution adopting the budget. FY '08-09 was budgeted with the knowledge that the economy was in a state on contraction. Use of one-time-only revenue was used to end fiscal year '09 with a reserve of \$2 million. The economic decline was worse than projected and midway through the year we took steps to prevent fiscal problems as we saw revenues decline due to the economic slowdown. Through the use of hiring and expenditure freezes we have estimated general fund ending reserve of \$1 million. The budget has been created upon assumptions that revenue streams will not be affected by State budget balancing. With the State budget facing a \$21 billion deficit, local government revenues may be placed at the mercy of the State of California. The Budget will be carefully monitored and if such changes take place the budget will be revised and brought before the Council for discussion.

Administration

Ann Taylor - The Events Committee sponsored a continental breakfast for the employees on Friday June 26. It was well attended. Thank you to the employees who participated and helped with the event. The event was enjoyed by all! Continue to prepare for the application process for the Energy Efficiency ARRA funds.

Eva Peterson – The June New Horizons June '09 issue was distributed and still we are waiting for someone to claim the quarterly prize. Followed up with Pitney Bowes on closing out current lease agreement. Completed Council Chambers entries for SSUSD for Board and SARB meetings. Attended CalPERS retirement workshop. Assisted City Council and City Manager with attendance to various city events such as the Larkspur Grand Opening, Chamber Luncheon and Alta One Ribbon Cutting as well as out of town League of California committee meetings.

City Manager/Administration

Telephone 499-5004 - Fax 499-1500

Rachel Rumbo - Human Resources is busy reorganizing and training as Karen Guidangen becomes more familiar with the functions. This past month we sponsored a CalPERS representative to come train employees on their Retirement; 2 classes were held, one for employees who are within 5 years of retirement and the other for those who are more than 5 years away from retirement. Both classes were very informative and gave employees ideas on how they can enhance their retirement pensions. Rachel attended the third in a series of four classes at UC Riverside to complete the Certified Municipal Clerk training. These classes focus on the duties of the City Clerk office including Elections, Ethics, Public Speaking, Records Management, Municipal Code, Brown Act, and Budgeting. Next and final class is scheduled for September and upon completion Rachel will be able to submit her application to the International Municipal Clerks Association for the professional designation of Certified Municipal Clerk. Penny Abbott of ICMA-RC will be on site Monday, July 20, to meet with employees to review their 457 Deferred Compensation plans. New Holiday Calendars have been sent out to everyone showing the adjusted Furlough Schedule for this next year, anyone who did not receive a calendar is encouraged to pick one up in Human Resources or go to the Intranet where MIS has the calendar posted.

Lauren Elliott - In the month of June 19 summer participants completed pre employment classes and all 19 continued their work experiences throughout the community. The Y.E.S! staff has began another session of pre-employment classes with 15 summer participants attending. Another 7 participants have begun new work experiences within the community. The Y.E.S! staff has continued to progress more applicants through the approval process. Please remember, the interest you show today in our youth of this community will ultimately shape our community and our country tomorrow. Show a positive interest and secure all of our futures

Karen Guidangen - Happy New Year! With the end of the Fiscal Year, I will be busy closing books and submitting reports to Finance. I am actively working with our carrier to get new Certificates of Insurance for the New Year. I had training this past month on New Claims arising in Workers' Compensation arena, Case Law Update and Labor Code 4850. I found this training very informative and interesting. We have 28 open workers' comp claims with 2 new claims and no claims closing the month of June. We are anticipating some of those claims to close within the next month. There are no open liability claims. My crossover into Human Resources is going well and I hope that all whom attended our Retirement Seminar enjoyed it as much as I did. Rachel has pretty much covered what is happening in HR today although, I would like to remind you that Unum Life Insurance Open Enrollment begins next month (August) so mark your calendar. And again I want to always state that I appreciate the support of my fellow co-workers. HAVE A GREAT NEW YEAR!

“Find the Phrase.”

Every month, the City Manager’s page will reveal a phrase contained within the Monthly Report. The first City employee to call Eva Peterson (x5004) and identify the page and paragraph that contains the phrase will win a **PRIZE!** Below in the text box is the phrase for this month.

**Monthly Report Phrase for June 2009 is :
“impressive improvements”**

COST: \$55.00 1st child
\$50.00 each additional child

\$20.00 reversible jersey required, purchased at KMCC.
Shin Guards are Mandatory.

PINNEY POOL BUSY

Drive down the 200 block of South Warner anytime and you can hear splashing, laughing, and cheering coming from Pinney Pool! This summer is jammed packed with exciting events, here's just a few: Belly Flop Contest, Balloon Toss, Obstacle Course, Chalk Art, and our Second Annual Coca-Cola Chugging Contest on!

Instead of driving by, stop in and see the impressive improve mints that happened over the last year! The pool is an awesome place to be in the hot hours of these summer days!

The schedule at the pool is crammed full to meet the needs of our local swimmers! We offer lap swim in the mornings and evenings, swim lessons in the morning and evenings, Water Aerobics five nights a week (Mon-Fri @ 6pm) in addition to our regular Open Swim Monday through Friday from 1:00-

4:00. Enjoy a satisfying dip in a cool pool on a hot muggy night, our night swim is open from 5:30pm to 8:30pm on Saturdays.

Sign ups for the third and fourth sessions of swim lessons are happening now at The Kerr McGee Community Center.

The Snack Attack, our concession stand, is an oasis of refreshments and snacks. Stop in to enjoy a cold refreshing soda, ice cream bar, a bag of popcorn or even a warm soft pretzel. We have whatever the hungry swimmer desires!

Having a pool party is absolutely the best type of party to have in the summer! Imagine your child and their friends having a splashing fun time while under the supervision of trained lifeguards. Saturdays and Sundays are available for rental, but are filling up

fast. Call 499-5151 for reservations.

Our lifeguards are highly qualified and trained to provide a safe swimming environment for your family. Water safety instructors are qualified lifeguards who are certified through American Red Cross as swimming instructors.

OUR POOL IS A COOL, SAFE, FRIENDLY AND FUN PLACE TO BE! FOR MORE INFORMATION CALL 375-5250!

Parks and Recreation's Wish List....

"... the magic of water, an element which owing to its changefulness of form and mood and colour and to the vast range of its effects is ever the principal source of landscape beauty, and has like music a mysterious influence over the mind."

Sir George Reesby Sitwell, 1909, *On the Making of Gardens*

VALUE OF PLAY is a keystone in the development of all our solutions. Splashpads® are zero-depth aquatic play areas that are planned out to promote:

- Cognitive Development
- Collaborative Play
- Cross-generational Activities
- Motor Skills Development
- Physical Development
- Sensorial Development
- Social Development

All our products are designed to be a source of FUN memorable experiences and pleasurable moments for every member of the family.

INVESTIGATIONS

In the first part of June, Detective Sloan, Detective Smith, and Sergeant Dampier attended a two week Narcotics Investigator School in Sacramento, CA.

On June 9th, Detective Kristen Hanley recorded a message using the “Reverse 9-1-1” system to warn city residents to keep their vehicle locked and garage doors closed when unattended. This message was in response to numerous vehicle and open garage door prowls that began with the warming summer months and school vacations.

On June 16th, Patrol Officers took a report where a 14-year-old girl was approached by a suspicious man in a vehicle who tried convincing the girl to get into his vehicle. The suspect was identified as Daniel Hester who is a registered sex offender and lives in the city. Investigation continues into Hester’s past convictions and probation to determine if criminal acts occurred.

On June 23rd, “Operation Swift Justice” culminated with a multi-agency operation involving ten (10) different law enforcement agencies. “Swift Justice” was a result of a five month long “buy operation” led by Detective Sloan and Detective Smith. The operation resulted in felony arrest warrants being issued for 26 subjects on drug sales charges. During the multi-agency sweep, 22 arrests directly related to Swift Justice were made and 4 arrests on new charges were made.

PACT

PACT volunteers worked a total of 834 hours during the month of June. PACT volunteers turned 18 Code Enforcement complaint forms in to Code Enforcement Officer Smith. PACT Graffiti removal team members also cleaned up 61 graffiti sites. PACT Animal Welfare welcomed two new full members, Daphne Rogers and Kindi Wheeler and one new full PACT member, Kyle Karasti, this month.

**SUPPLEMENT TO RETURN A
MONTHLY RETURN OF OFFENSES KNOWN TO POLICE**

INSTRUCTIONS: Total offenses recorded on this form should be the same as the number of actual offenses listed in column 4 of Return A (for each crime class). Include attempted crimes on this form and Return A.

This form deals with the nature of crime (type of act and place committed) and the value of property stolen and the amount recovered. Tally sheets for this form will be send upon request.

PROPERTY BY TYPE AND VALUE

Type of Property (1)		Value of Property Stolen and Recovered in Your Jurisdiction	
		Stolen (2)	Recovered (3)
(A) Currency, Notes, etc.	01	4,848	
(B) Jewelry and Precious Metals	02	17,220	
(C) Clothing and Furs	03	53	13
(D) Locally Stolen Motor Vehicles	04	47,100	7,950
(E) Office Equipment	05	1,612	12
(F) Televisions, Radios, Stereos, etc.	06	1,947	47
(G) Firearms	07		
(H) Household Goods	08		
(I) Consumable Goods	09	478	290
(J) Livestock	10		
(K) Miscellaneous	11	6,456	452
TOTAL	00	79,714	8,764

NOTE: Total of column (2) should agree with grand total (DATA ENTRY 77) shown on page 2. In column (3) include all property recovered even though stolen in prior months. The above is an accounting for only that property stolen in your jurisdiction. This will include property recovered for you by other jurisdictions but not property you recover for them.

RIDGECREST POLICE DEPARTMENT

RESERVE ORGANIZATION

MONTHLY SUMMARY

JUNE, 2009

	Current Month	YTD Total
Reserve Hrs.	127.5	509

During the Month of JUNE Reserve Officers worked the following hours:

Officer Kiren	0.0 (On Personal Injury)
Officer Dysart	24.0
Officer Schatz	08.0
Officer Robbs	11.0
Officer Dorrell	45.0
Officer Regan	17.5
Officer Mitchell	14.0
Officer Kinslow	08.0

This month, members of the Reserve Organization augmented Patrol, assisted with Range, Burroughs High Graduation, and Probation Warrant Sweep.

*** During the last Reserve meeting, I talked with Anton Kiren. Kiren said he was not officially released for duty and was definitely intending to return. Kiren said he will make an appointment with COP Strand when he returns from vacation.

Prepared by;

Tony Brown
Sergeant

Reserve Report for the Month of June 2009

The Reserve Officers achieved a total of 127.5 hours for the month of June. Officers Dorrell and Dysart contributed 45 and 24 hours respectively.

Reserve and range meetings accounted for 11 percent of the reserves administration time with 14 hours.

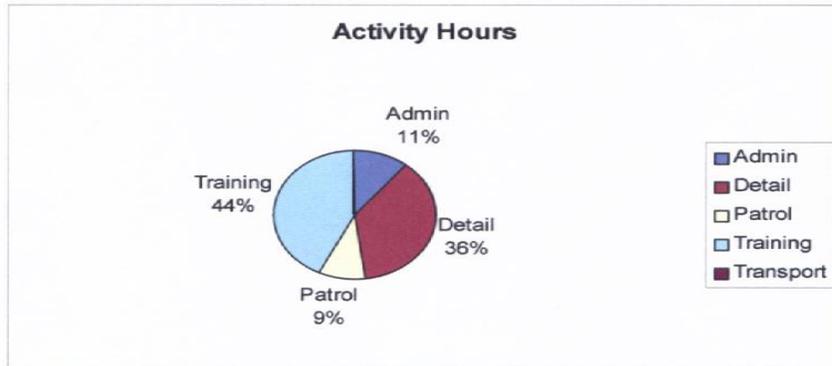

Reserve Officers logged a total of 46.5 hours of detailed time assisting Burroughs High School's Graduation and the Probation Warrant Sweep. This accounted for 36 percent of the reserves total time.

Officer Mitchell provided 12 hours of patrol time, which accounted for 9 percent of the total reserve hours.

Training accounted for 44 percent of the reserves total time and a total of 55 hours.

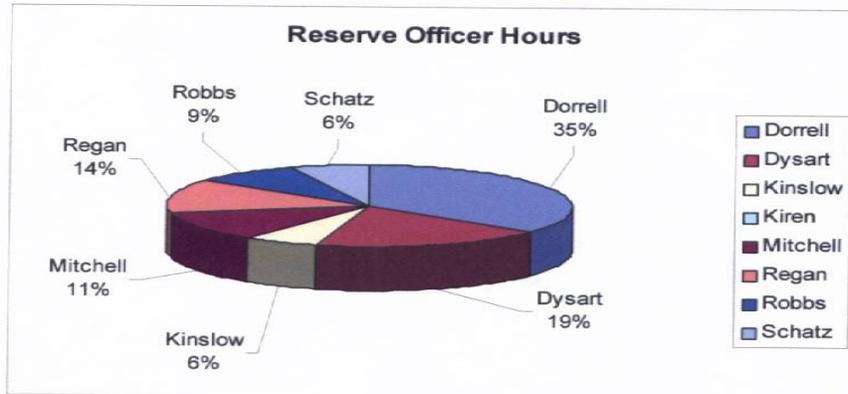

The following is a breakdown of the Reserve hours:

Administration	14.0 hours	11%
Details	46.5 hours	36%
Patrol	12.0 hours	9%
Training/Range	55.0 hours	44%

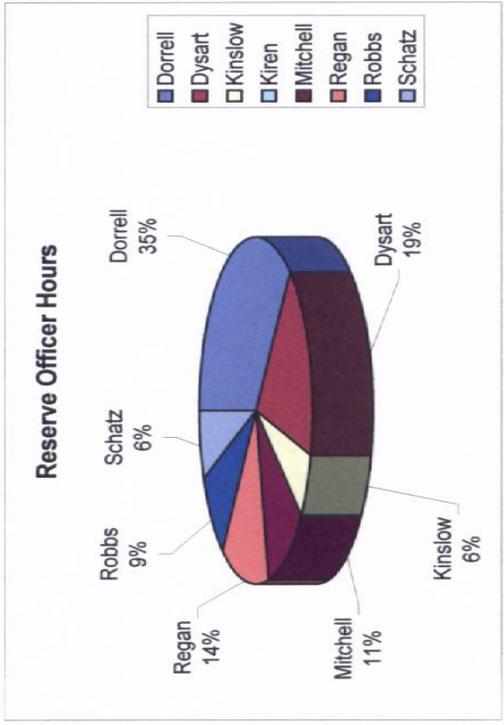

Reserve Officer hours for the month of May:

Dorrell	45.0 hours	35%
Dysart	24.0 hours	19%
Kinslow	8.0 hours	6%
Mitchell	14.0 hours	11%
Regan	17.5 hours	14%
Robbs	11.0 hours	9%
Schatz	8.0 hours	6%

Staff

Tyrell Staheli – Finance Director
Tess Sloan – Controller
Kristi Cole – Accountant
Margaret Rana – Payroll
Kelly Brewton – Accounts Payable
Pat Anderson – HR/Payroll Assistant
Virginia Johnson – Account Clerk/Front Counter

Phone: (760) 499-5020

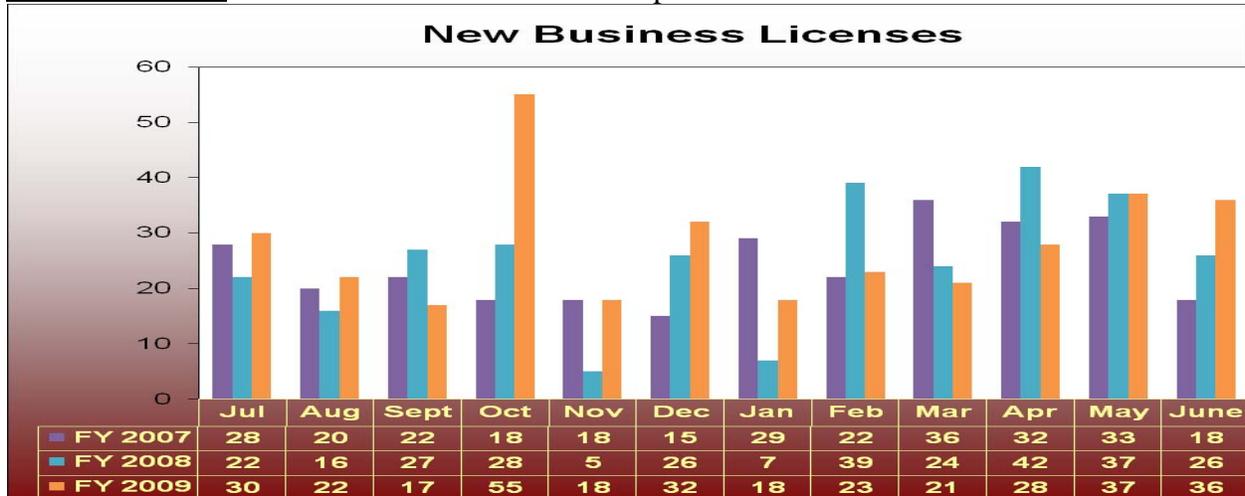

Fax: (760) 499-1520

Finance Division – June 2009

FRONT COUNTER

Business License – 36 new business licenses were processed in the month of June.

Scanning – Stephanie (WIA participant) scanned AP batches, 2008 & 2009 Business Licenses, and W-9 (A's and B's)

Accounts Payable – Virginia processed check run for 06/19/09 due to Kelly having jury duty. Kelly came back in time to help with some of the entering, but Virginia did actually print the checks and do the post-printing banking procedures.

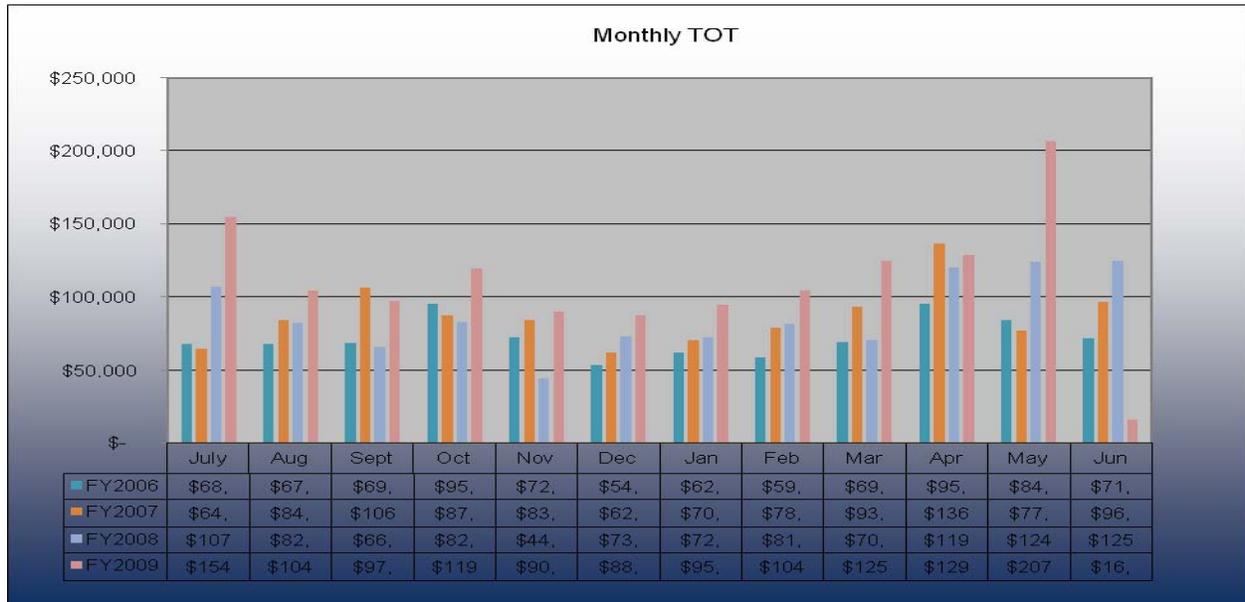

Payments – Virginia processed and submitted the rabies and spay/neuter request from Jansen's Animal Hospital for payment through Accounts Payable.

Year-End – As part of preparation for yearend processing, Virginia ordered all of the supplies needed for organizing and storing current year's files and reorganized the storage room to make room for all of the supplies and files.

Miscellaneous projects – In addition to answering the phone, helping customers at the counter, and processing payments, Virginia updated monthly spreadsheets and distributed mail daily. Virginia filed all month end, adjusting journal and budget adjustment batches.

Finance Division – June 2009

July To Do List:

1. Complete W-9 scanning.
2. Check the check run scanning for duplex files and rescan.
3. Start training with Meela.
4. List of responsibilities to Tess.
5. Desk Book.
6. Organize the conference room filing.
7. Complete FY10 filing set up.
8. Redo Business License Application and Update Form.
9. Submit destruction list for City Council approval.

ACCOUNTS PAYABLE

Year-End Reminders

- FY09 vs. FY10: Goods and services must be received by June 30, 2009 in order to be charged to FY 09. Please indicate on ALL invoices submitted between July 1 & July 24th to which year they are to be charged; otherwise starting July 1st, they will be charged to FY10. The deadline to submit invoices for FY 09 will be July 24th, 2009. All invoices submitted after that date, will be posted to your FY 10 budget. Please group or batch the invoices by the fiscal year they are being charged prior to turning them in to Finance. The final FY 09 check run will be July 31, 2009.

Finance Division – June 2009

Reminders and Requests

- All payables must be received no later than 10 am on the Thursday before the check run, unless otherwise specified.
~If there is something that needs be paid with the next check run and you will be unable to get it to AP's by the deadline, arrangements must be made **prior** to the deadline. We will not accept any request made after the deadline and invoice payment will be made the following check run.
- When you receive utility bills get them coded, signed and return to Account Payables the next business day. We try to get the utilities put in the blue inter-department envelopes so please pay close attention to these.
- Receipts need to be turned in no more than 5 business days after date of purchase (excluding Cal Card-see below).
- Cal-Card: Hold on to receipts until you receive the Cal Card statement then send receipts along with the coded and signed statement to AP's within 5 business days of receiving.
- Write description of what was purchased if it is not clearly stated on the receipt. Do not write over descriptions on receipts. If there is no room on the receipt you may write it on the back of the receipt or you may tape it to a piece of paper (just make sure that the receipt is taped at the top of the paper) to write the description on or you may write it on the back of the receipt.
- Keep receipts away from heat and do not highlight receipts, as most receipts are now printed on thermal paper and the heat turns them black and highlighter erases the text.
- When submitting travels: If a registration check and advance check are needed, please submit 2 copies one with the employee name highlighted, and one with the registration highlighted.
- If submitting a check request in which back up needs to be sent with the check, include an additional copy. If an additional copy is not attached, nothing will be sent with the check.
- Remember all Account Payable documents are now scanned, so please try to remove as many staples as possible and use paper clips to keep papers together, if they are tiny receipts you may staple them and we will take the staples out. You also may tape them to a larger sheet of paper just make sure that the receipt is taped at the top of the paper.
- Prior to using a vendor check to see if they are an active vendor in our system, if they are not please obtain a w-9 prior to purchase or services.
- Remember any purchase or service costing over \$2000 will need a purchase order and needs to be completed before the purchase is made or services are rendered.

Check pick up

Finance Division – June 2009

- Checks are generally ready for pick up at 4pm on the Thursday of the check run. If you have checks you need to pick up please send me an e-mail to let me know what checks you need and I will contact you as soon as they are ready for pick up.
- If a vendor wants to pick up a check, arrangements must be made with me no later than Wednesday of the check run, they can pick them up after 4pm on the Thursday or if they leave a phone number; I will contact them once the check is ready for pick up.

Work Completed June 2009:

1. Processed and paid 955 invoices
2. Processed a total of 918 checks
3. Paid out \$613,136.95 to vendors

PAYROLL

As usual, we processed two payrolls for the month of June. At the end of June, the payroll department closed the month end, quarter end and the fiscal year end.

Pat finished all the scanning for FY09 payroll documents.

Any changes for the new Fiscal Year will be implemented as we receive the new MOU for each group.

As soon as the Furlough days are agreed upon by all bargaining groups we will set the hours type code to be used for the Furlough days.

Any Fiscal Year Accruals will be updating as of July 1, 2009, however, this may take longer to show on your paystub since the last two days in June are on the payroll dated July 17, 2009.

This is also the last month that Pat Anderson will be in the Finance Department working with Payroll. Pat is being transferred to Administration, located in the Office of the City Manager area.

We'll miss you Pat!

ACCOUNTING SERVICES

Finance Division – June 2009

Budget Adjustments – A new form was distributed for use when requesting a budget adjustment. It can be found in the City Forms folders. If you have any questions on how it is to be filled out, please contact Kristi at ext 5023.

Year-End – As the year ends, there are lots of things that need to be reconciled and closed. Tire inventory was not too bad this year. There were some issues, but they were resolved. Procedures for that process will be changing a bit in hopes of making next year go even smoother.

Please take another look at your department's expenditures and budget. Check that you have charged them to the correct accounts and a budget exists to cover the expenditures. Print account activity listings, note any needed changes on these listings, prepare a budget adjustment request if needed and then turn them in to Finance by August 7th. It is the Department's responsibility to prepare any line-item including project transfers following the final FY 09 check run - July 31, 2009. Those operating at the project level need to review the budgets at the project level.

On-going duties

- Assisted City Controller with month end processes for closing the accounting period – bank recons, various allocations.
- Verified edits for Accounts Payable.
- LAIF investment transfers.
- Prepared and sent out billing to Kern County for the Transit System services and Senior Center charges and rent.

NEW SCHEDULE = NEW DEADLINES

I know, I know, we just get you use to one set of deadlines are we change them on you huh ☺

Since we are no longer working on Fridays, things have to change a little to accommodate payroll and accounts payable processing. Below are the new deadlines and distribution days/time that you need to be aware of.

Payroll

Deadline to turn in time sheets	Thursday, no later than 10am
Distribution of checks will be	Thursday, about 4pm

Accounts Payable

Deadline to turn in invoices	Thursday, no later than 10am
Distribution of checks will be	Thursday, no earlier than 4pm

Finance Division – June 2009

****All checks will still be dated with Friday's date****

As time passes and problems develop, this schedule may change. Another notice will go out if there are any changes.

Holiday schedules will be released as the holidays get closer.

If you have any questions, please call Kristi at 499-5023.

Thank you for your understanding and support!!

UNIVERSAL (MANDATORY) RECYCLING AND SOLID WASTE SERVICE

The City scheduled, noticed, and conducted a Public Protest Hearing relating to the Property Related Fee proposed to be added to the County of Kern Secured Residential Property Tax Roll. For the purpose of clarity, this Hearing was not for the implementation of universal (mandatory) residential curbside recycling and solid waste collection, but should the tax roll be utilized for billing purposes.

The consultant, NBS noted that there were 11,673 property parcels and 5,837 written protests would be required to over-rule the intent of the City Council. There were 763 unverified protests, approximately 200 property owners in attendance, and thirty-eight speakers. The City Council indicated that the program of services and actual property related fee would be discussed and presented at the regular meeting of July 15, 2009. The California Integrated Waste Management Board has mandated a schedule that is shown below in the Local Assistance Plan. Community wide compliance is required by January 2010. A general progress report is also presented below.

Residential Property Owners may still self-haul to the Ridgecrest Sanitation Landfill and recycle at any approved drop off center or buy back center, but must subscribe to the Universal Service Program.

WHAT IS A LOCAL ASSISTANCE PLAN:-

- | | |
|---|------------------|
| 1. Waste Generation/Characterization Study Establish New Base Year | JULY 1, 2009 |
| 2. Public Outreach/Education | JANUARY 4, 2010 |
| 3. Maintain Greenwaste Efforts | JANUARY 4, 2010 |
| 4. Establish mandatory Commercial On-Site Collection of Recyclables | JANUARY 4, 2010 |

PROGRESS REPORT:

- Waste Study DRAFT received --Indicates we are diverting over 50%
- Ordinance passed for Mandatory Trash and Recycling Collection
- Public Hearing scheduled for 2nd July re Placing Trash Fees on Property Tax Bill
- Negotiations ongoing with Benz Sanitation for recycling collection
- Pilot Commercial Cardboard Collection -- 4 local businesses agreed to participate -- due to launch mid-July
- Plans drawn up for Corp Yard
- YES Youth working with Code Enforcement on Community Clean-Ups -- next scheduled 28th July
- Castle X Teen Center; Murray Recycling Club; Girl Scout Troop; Monroe Recycling Club; Gateway 4/5th Grades; Ridgecrest Lions Club; Go Green Conference
- Next Quarterly Report due 30th July
- Next Annual Report due 31st July
- City Hall: Recycling paper/cardboard/plastic/cans/bottles/print cartridges/telephone books; grass-cycling; green procurement; paperless distribution where possible; website Recycling/Diversion Page

RECYCLE, REDUCE, REUSE

CARDBOARD & PAPER RECYCLING BIN

COMMUNITY CLEAN UP PROGRAM

PLANNING COMMISSION:

June 23, 2009

Wildepointe Ranch – Planned Unit Development, Pre Zoning Change and Tentative Tract Map 6731 approved

The Planning Commission approved a 223 lot residential subdivision on 179 acres located at the northwest corner of Ridgecrest Blvd. and Mahan Street. All lots are considered estate including 87 with a minimum size of 10,000 sq. ft., 64 with a minimum size of 20,000 sq. ft., and 72 with a minimum size of 40,000 sq. ft..

This Planned Unit Development includes two parks and more than one mile of jogging and hiking trails, proposed within the site as well as running along Ridgecrest Blvd. and Brady Street.

Wildepointe Ranch site from NW cor of Ridgecrest Blvd. & Brady St.

About 17 acres of this project is located outside the City Limits within unincorporated Kern County proposed for a pre-zoning designation of E-1 (40,000 sq. ft. minimum lot size) / PUD overlay.

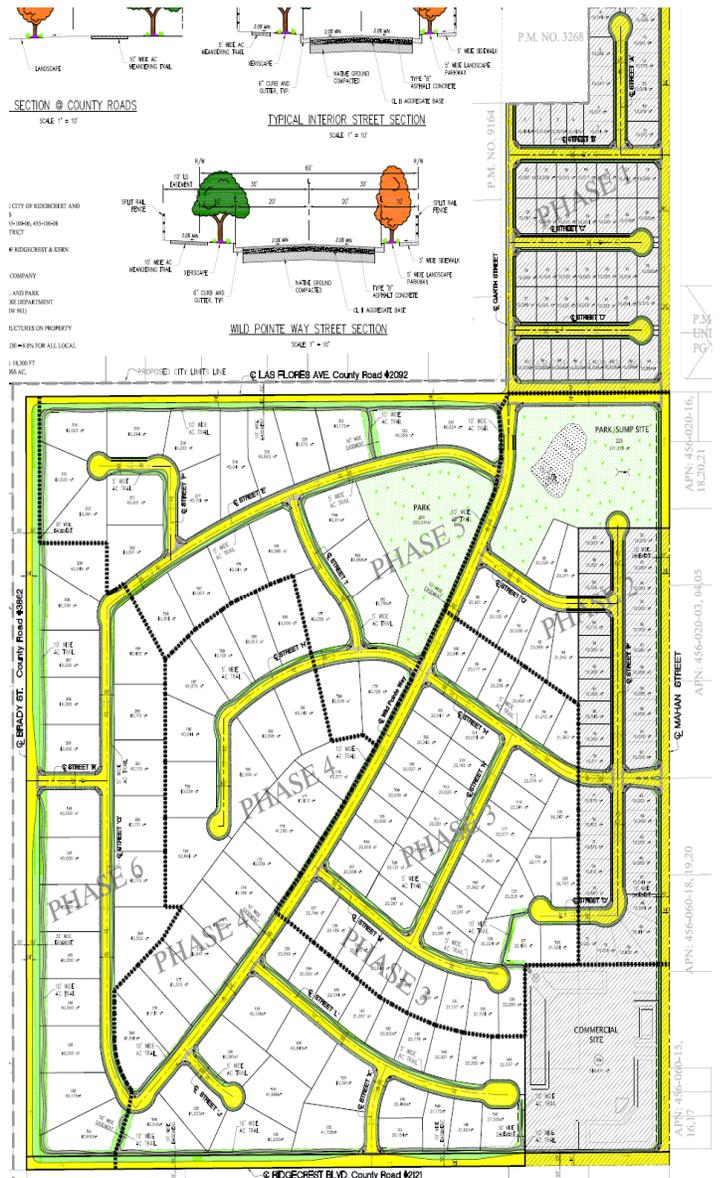

An earlier version of the project was denied by the Planning Commission on January 27, 2009. The Planning Commission action was upheld by the City Council on March 18, 2009. In response to feedback from the Planning Commission and City Council, the applicant submitted a revised application which included a PUD overlay, fewer residential lots as well as the following amenities:

- ◆ mounding / fencing in lieu of block perimeter walls, (offering a more open, country environment),
- ◆ larger lot sizes than typically found in the City of Ridgecrest,

- ◆ offering residents the advantages of living within the Corporate Limits,
- ◆ a neighborhood park and a park/sump,
- ◆ village commercial planned within walking distance, and
- ◆ a comprehensive trail system.

The Wild Pointe Ranch approval represents the largest development proposal within the City of Ridgecrest in many years. The residential density within this project has been adequately reduced to ensure the integrity of an average of 40,000 sq. density overall within the E-1 area.

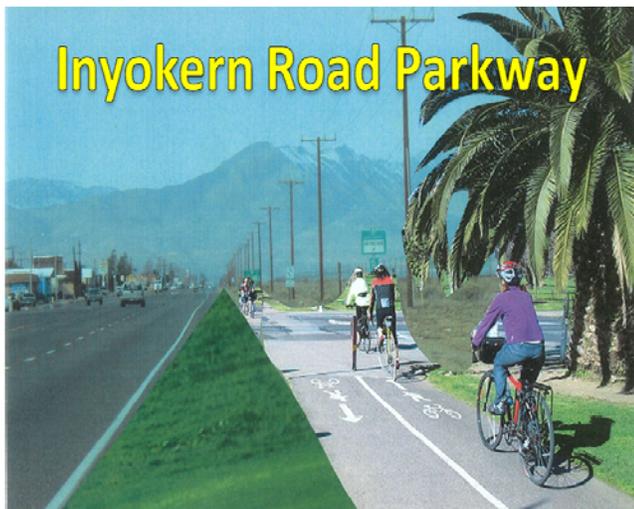

The Naval Air Weapons Station endorsed the proposal as being compatible with the NAWS mission. The proposed Planned Unit Development zoning overlay should ensure that the amenities identified at this time be implemented. This project cannot be built unless the PUD features incorporated on the map are developed.

PLANNING AND ENGINEERING STAFF TO MEET WITH CAL-TRANS REGARDING THE INYOKERN ROAD PARKWAY IN JULY

In July, City staff members plan to meet with representatives from Cal-Trans, KernCOG, and China Lake NAWS to explore funding sources for the proposed Inyokern Parkway.

The idea of creating a safe, attractive 1.5 mile parkway facilitat-

ing walkers, joggers and bicyclists on the north side of SR 178 abutting NAWS property was first recommended by the City's General Plan Advisory Committee last year. Last August, the Ridgecrest City Council endorsed the idea and authorized the Mayor to send a letter to the Commanding Officer at NAWS. The advantages of this improvement cited by our City Council include the following points:

- ◆ Since there are no through streets crossing northerly above Inyokern Road, the proposed bicycle path would be unimpeded by conflicting motorized vehicles for the entire 1.5 mile length between Mahan Street and the Main Gate,
- ◆ Establishment of a bicycle path along the Inyokern Road corridor would encourage Base employees to use their bicycles as an alternative to the automobile because their daily commute would be both more pleasant and safer,
- ◆ Establishment of a bicycle path along the Inyokern Road corridor would provide a safe bicycle route for non-NAWS employees including many bicyclists from outside the region who come to this area for recreational cycling,
- ◆ In addition to the safety and quality of life improvements offered by the Inyokern Road Bicycle Path, the landscaping buffer would provide an attractive entryway to both NAWS China Lake and the City of Ridgecrest.

The primary purpose of this meeting will be to identify possible funding sources to implement the proposed Inyokern Road Parkway. This exploratory meeting will discuss implementation strategies and the rules behind various bicycle path funds.

ECONOMIC DEVELOPMENT:

Gary Parsons, Economic Development Manager, is on a leave of absence recovering from heart surgery. We wish Gary a speedy recovery.

Public Works Monthly Report

Special points of interest:

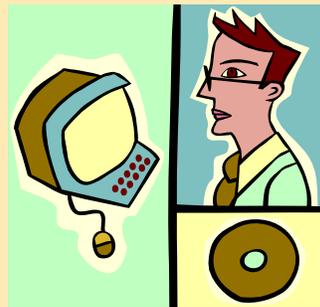

PHOTOS OF ROAD WORK ON S. NORMA STREET

New Dispatch System for Transit

In June Transit moved from using paper and pencil to log and track rides to our new automated dispatch software. The drivers and dispatchers have worked hard to learn the new system and continue to work at mastering the software.

In order to reduce cost and meet the state budget cuts to Transportation Transit has new hours of operation, hours are as

follows: Monday through Thursday 6am to 6pm all riders, Friday service is

County Contract rides only as the County is pay-

ing 100% of cost, and Transit no longer provides service on Saturdays.

Rider ship is down due to school closures, however normal for July and will pick up again in August when schools reopen.

Walking in Traffic

Protect yourself and your family by doing these things:

Walk on the Sidewalk

Stay on the sidewalk and crosswalks. Avoid walking in traffic where there are no sidewalks or crosswalks. If you have to walk on a road that does not have sidewalks, walk facing traffic.

Cross at Intersections

Most people are hit by cars when they cross the road at places other than intersections.

Look left, right, and left for traffic

Stop at the curb and look left, right, and left again for traffic. Stopping at the curb signals drivers that you intend

to cross. Cross in marked crosswalks and obey the signal.

See and Be Seen

- Drivers need to see you to avoid you.
- Stay out of the driver's blind spot.
- Make eye contact with drivers when crossing busy streets.
- Wear bright colors

TRANSIT DEPARTMENT IMPLEMENTS NEW SOFTWARE SYSTEM

Transit has been moving forward to institute a new software dispatch system that will be launched in June. The software will assist the dispatcher in organizing more rides and our customers will be served in a more timely manner. Staff has been undergoing many training hours on proper use of system. Crest routes. MIS has been working hard to support the new dispatch system as well as placing all of our hardware in our bus units. Our customers can look forward to a much improved system in late June. Transit continues to serve the City, County and connecting Kern Regional and

Rough Roads Costing Motorists

Report

The City of Ridgecrest VWVTF operated within design and compliance directives issued under Board Order No. 6-00-56. The treatment facility operated with no discharge violations or abnormal conditions. The treatment lagoons are experiencing an increased algal bloom, due to the high ambient temperatures. This is an annual event for the lagoons and is being monitored by the staff. The Department inspected and passed (2) new connections to the sanitary sewage system. The Department also responded to (3) requests for service (1) odor complaint, (2) requests for treatment of the sewage collection system for roach control. The Department performed periodic maintenance on the Auger/Grinder and the floating aerators in Pond No. 1. The Reclamation Department reclaimed 4.9 million gallons of secondary effluent for use as fodder crop irrigation. The Department hydro flushed 1,500 ft. of main line sewer as preventative maintenance.

Caption describing picture or graphic.

(Continued from page 1)

or reflective clothing if you are walking near traffic at night. Carry a flashlight when walking in the dark.

Do not let kids play near traffic or cross the street by themselves. Kids are small, and drivers may not see them if they run into the street.

Watch your kids

- Children should not cross streets by themselves or be allowed to play or walk near traffic. Kids are small, unpredictable, and cannot judge vehicle distances and speeds.
- When kids get older, teach them three things to do before they cross the street: 1) Try to cross at a corner with a traffic light.
- 2) Stop at the curb.
- 3) Look left, right, then left again to make sure no cars are coming.

Important Safety Reminders

- Drivers are required to yield the right-of-way to pedestrians crossing streets in marked or unmarked crosswalks in most situations. Pedestrians need to be especially careful at intersections where the failure to yield right-of-way often occurs when drivers are turning onto another street and a pedestrian is in their path.
- When possible, cross the street at a designated crosswalk. Always stop and look left, right, and left again before crossing. If a parked vehicle is blocking the view of the street, stop at the edge line of the vehicle and look around it before entering the street.
- It is much safer to walk on a sidewalk, but if you must walk in the street, walk facing traffic.
