City Manager

City Manager Mike Avery— began the month with a tour of the Wastewater Plant with Council Member Jerry Taylor and Planning Commissioner Craig Porter. John Bracken and Jim Humphreys took time to show the group the process of sewage treatment. Sewage that comes in from the city and the base can consist of everything from sand, mud, rock, tennis balls, etc. John and Jim explained the digestors process and gave the status on the re-roofing of the digestor. Additionally, we were shown how methane is captured to boilers and how the treated sewage is kept at 98 degrees. Talks continue with the California Integrated Waste Management Board (CIWMB) and Benz regarding the City's requirement set by the CIWMB to implement new programs regarding trash and recycling. Additionally, I continue meeting with the Water Conservation Subcommittee in response to the City's continuing commitment to water efficiency. Participated in talks with 1st Supervisor McQuiston and Mayor Morgan on Trash, RRA Assessment Fees and the Air Corridor as well as discussion on ACUIZ updates with the county and base personnel. Spent time this month with Public Works interviewing firms for the West Ridgecrest Blvd Project.

Administration

Ann Taylor - I processed the paperwork for reimbursement for the new Ford Escape for Public Works through the MVERP grant. I also completed successfully the 5311 Cycle 26; it was finally forwarded to Sacramento. Continue to work on the Energy Conservation Block Grant (Stimulus funding on energy efficiency).

Eva Peterson – Coordinate meetings for ACUIZ follow-up with City Manager, Mayor, County, City, and Base personnel. Assisted in coordinating the "Save Your City" video for the League of CA Cities. Assisted Councilmember by scheduling appointments with Senator Ashburn and Assembly member Jean Fuller during trip to Sacramento for Budget Action Day, along with travel reconciliation upon return. Council travel for League of California Cities committee meeting. Photo-op with New Horizons winners and City Manager. Questy's entry of Infrastructure agenda's and back-up dating 12/2006 through 12/2007. Completed current updates to Visio org charts and provided copies to all City Council members and departments heads of departmental org charts. Entered evaluations dates on City Manager calendar. Council Cal-Card reconciliation, City Org minutes and agenda, DMD mileage reimbursement, letters and memos. Research local area rental space and postage meter costs. The

Administration (cont'd)

June New Horizons '09 issue will be in the June 18th paycheck distribution. Enjoy reading the issue and remember to look for your employee ID# in order to win the quarterly prize.

Human Resources has been actively working with Labor Negotiations, Evaluations, and Training. Karen is in the process of familiarizing herself with Human Resources processes and will be branching into new areas of training soon. She has been learning the Change of Status and Data Entry both in our Naviline payroll system and in CalPERS membership system. Her new training includes learning each group Memorandum of Understanding and the Personnel Rules, FMLA processing, and COBRA processing. We will begin preparing for the annual Open Enrollment for benefits soon and open enrollment is tentatively scheduled for Mid-September to Mid-October. Legistream is beginning to flow more smoothly with the Agenda Process and Rachel is working on ways to make the process more efficient. While we still have glitches in the software, we have been able to work around them to create a good agenda in less time. New Holiday calendars will be released from Human Resources by July 1 which will reflect the new work schedule for City employees. CalPERS will be on site June 29 to conduct retirement classes for employees. There will be two classes held, one for employee's who are more than 5 years from retirement and one for employees who are 5 years or less away from retirement. I encourage all employees to attend at least one of these classes and learn more about your retirement.

Starla Shaver—In the month of May, 19 summer participants progressed through Pre-employment workshops and all 19 began work experiences throughout the community. The Y.E.S staff has diligently been working on approving 22 applications, while working with the community to ensure productive worksites. Please remember, the interest you show today in our youth of this community will ultimately shape our community and our country tomorrow. Show a positive interest and secure all of our futures

Risk Management has actively begun the process of merging with Human Resources and training is going well. I would also like to remind you about the up and coming CalPERS Retirement training on the 29th of June. Should you have trouble registering please do not hesitate to contact myself at x-5036 and I will register for you. July 1 is fast approaching and all insurances are in place for renewal. The Board Meeting was held this June and the budget was passed. New certificates of insurance will be issued the second week of July. A workshop was also held to go over the new requirements of reporting Medicare eligible claims and the set-aside requirements. We currently have 26 open workman's comp claims of which 7 were new claims and 3 claims were closed. I will be traveling this month for Workman's Compensation Law Updates. As always I would like to thank my fellow co-workers for their continued support.

“Find the Phrase.”

Every month, the City Manager’s page will reveal a phrase contained within the Monthly Report. The first City employee to call Eva Peterson (x5004) and identify the page and paragraph that contains the phrase will win a PRIZE! Below in the text box is the phrase for this month.

GOOD LUCK TO ALL CITY EMPLOYEES!

Monthly Report Phrase for May 2009 is :
“stimulus program”

RPRD

Huge Turn Out For Summer Activities

SPECIAL POINTS OF INTEREST:

- James Monroe Graduation
- Recreation Activities Abound
- Parks and Recreation Background Check Procedure

The Ridgecrest Parks and Recreation Department held sign-ups for all summer activities during a 3 day sign-up event at the end of May.

The three day sign-up event began on Tuesday May 26th with about 300 people signing up for summer day camp and arts and crafts classes such as Necklace making, paper airplane crafting and a brand new board game camp, just to name a few.

Wednesday May 27th brought another 300+ people to sign up for all of the aquatics programs such as swimming lessons and diving camp.

Thursday May 28th people came to sign-up for the many sports camps such as UK International Soccer, Flag Football, and Basketball camps. The popularity of these sports camps and the volume of sign-ups seems to grow each year the programs are offered.

Sign-ups for summer activities are ongoing on a space available basis throughout the summer and we continue to receive many new sign-ups each day.

Summer

People line up inside the sign-up area.

Department Offers Activities For All Ages

The Ridgecrest Parks and Recreation Department has always offered a wide variety of programs and activities for everyone in the community and that list continues to grow every year. From Mad Science Camp to Flag Football, there is something for everyone.

Youth activities abound at the Parks and Recreation Department. Each program aims to bestow upon the youth of our community the values of hard work, discipline and team work. Values which will

aid them far into the future. From Soccer and Football, to Pre-School and Day Camp the Parks and Recreation Department offers numerous activities to get youth out of the house and into some fun. Record breaking enrollment in all activities has prompted the department to offer multiple camps and classes as well as expand current programs to meet the need.

Though most of our programs are youth biased, we have plenty of activi-

ties for adults as well. Adult Kung Fu and Karate and a variety of Cooking classes are but a few of the activities we have available and new classes are being added all the time.

Youth finish up a drill in our Flag Football Camp, one of our most popular camps.

James Monroe Holds Graduation At KMCC

Over 500 people came to the Kerr McGee Center on Thursday June 4th to watch as James Monroe Junior High School's 8th graders walked the aisle to receive recognition for their hard work and to reflect on their years at the school before they begin their journey to High School and beyond.

The Parks and Recreation Department Congratulates all who graduated and wish you well.

Family and friends look on as the graduates walk the aisle at KMCC.

KMCC THE PLACE TO BE

Parks and Recreation Background Check Process

Editor's Note:

A new summer activity season is upon us and with that comes the addition of quite a few staff, volunteers and independent contractors. For the Ridgecrest Parks and Recreation Department the safety of every participant in our programs is our #1 priority. Because of this, we feel it is important to re-emphasize this subject and update the public on our background check procedures.

The Ridgecrest Parks and Recreation department would like to explain a little about our background check procedure and what it means to our customers and participants of our programs.

The City of Ridgecrest performs a procedure called a Live Scan on all potential volunteers and employees to ensure the safety of the youth who participate in Parks and Recreation Programs. The Live Scan procedure performed by the City of Ridgecrest strictly conforms with the laws set forth by the State of California.

In addition to the Live Scan process, the Ridgecrest Parks and Recreation Department has instituted a local background

check on all Staff, Volunteers (i.e. Coaches) and Independent Contractors. This local background check is handled by the local Police Department and is an extra layer of protection to keep all of our participants safe. Any questions regarding this, or any of our other policies may be directed to 499-5151.

Det. Ryan Sloan, Det. Kristen Hanley,
Ofc. Nino Agostinacci.**

Officer Brian Armstrong

Calvary Chapel's Biker Blessing

5/9/09

Police Officer, Bill Keys, escorted bike riders and Executive Director of PACT, Henry Wilson, directed traffic at the intersection of S. China Lake Blvd and College Heights Blvd.

INVESTIGATIONS

General Investigations investigated several unattended deaths in May including a death of a 6-month-old infant.

A Dual “Proactive Enforcement Detail” that covered the Spring DEF Fair involved Det. Mike Atkins.

Officer Franco and Detective Hanley worked the CHAMPS booth at the fair.

PACT

PACT volunteers worked a total of 858 hours during the month of May. PACT volunteers turned 38 Code Enforcement complaint forms in to Code Enforcement Officer Smith. PACT Graffiti removal team members also cleaned up 20 graffiti sites. PACT welcomed two new full members, Larry Thompson and Carolyn Schroeder and one Animal Welfare member, Renee Hatcher this month.

**SUPPLEMENT TO RETURN A
MONTHLY RETURN OF OFFENSES KNOWN TO POLICE**

INSTRUCTIONS: Total offenses recorded on this form should be the same as the number of actual offenses listed in column 4 of Return A (for each crime class). Include attempted crimes on this form and Return A.

This form deals with the nature of crime (type of act and place committed) and the value of property stolen and the amount recovered. Tally sheets for this form will be send upon request.

PROPERTY BY TYPE AND VALUE

| Type of Property (1) | | Value of Property Stolen and Recovered in Your Jurisdiction | |
|--|-----------|---|------------------|
| | | Stolen (2) | Recovered (3) |
| (A) Currency, Notes, etc. | 01 | 5,511 | 60 |
| (B) Jewelry and Precious Metals | 02 | 2,320 | |
| (C) Clothing and Furs | 03 | 475 | |
| (D) Locally Stolen Motor Vehicles | 04 | 10,850 | 6,400 |
| (E) Office Equipment | 05 | 2,800 | |
| (F) Televisions, Radios, Stereos, etc. | 06 | 7,733 | 310 |
| (G) Firearms | 07 | 400 | |
| (H) Household Goods | 08 | 4 | 4 |
| (I) Consumable Goods | 09 | 189 | 189 |
| (J) Livestock | 10 | | |
| (K) Miscellaneous | 11 | 7,883 | 1,815 |
| TOTAL | 00 | 38,165 | 8,778 |

NOTE: Total of column (2) should agree with grand total (DATA ENTRY 77) shown on page 2. In column (3) include all property recovered even though stolen in prior months. The above is an accounting for only that property stolen in your jurisdiction. This will include property recovered for you by other jurisdictions but not property you recover for them.

INSTRUCTIONS FOR COMPLETION:

**REPORT ONLY THOSE DOMESTIC VIOLENCE-RELATED CALLS FOR ASSISTANCE
 WHICH HAVE BEEN VERIFIED. SEE REVERSE SIDE OF THIS FORM FOR
 PENAL CODE STATUTES TO BE USED WHEN COMPLETING THIS FORM.**

1. Enter the total number of domestic violence-related calls that are received and verified by your agency in the "Total domestic violence calls received and verified" column. Of the "Total domestic violence calls received and verified," enter the number of cases involving weapons in the "Total cases in which weapons were involved" column.
2. Of the "Total cases in which weapons were involved," enter the subtotal for each weapon category. Firearm, knife or cutting instrument or other dangerous weapon shall be reported by type of weapon regardless of the outcome or injury. The use of a personal weapon, such as hands, fists, or feet, is to be reported as a weapon only if the assault resulted in severe or aggravated bodily injury
3. Complete one form for each month and submit the form with your "Return A - Monthly Return of Offenses Known to the Police."
4. If there are no calls received during the report period, write the word "NONE" across the face of this form and submit it with your "Return A."

 Three tours of the PD were conducted in the month of May.

RIDGECREST POLICE DEPARTMENT
RESERVE ORGANIZATION

MONTHLY SUMMARY

MAY, 2009

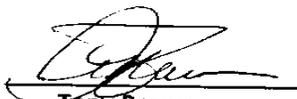

| | Current Month | YTD Total |
|--------------|---------------|-----------|
| Reserve Hrs. | 55.5 | 381.5 |

During the Month of *MAY* Reserve Officers worked the following hours:

| | |
|------------------|--------------------------|
| Officer Kiren | 0.0 (On Personal Injury) |
| Officer Dysart | 0.0 |
| Officer Schatz | 11.0 |
| Officer Robbs | 02.0 |
| Officer Dorrell | 25.0 |
| Officer Regan | 08.5 |
| Officer Mitchell | 02.0 |
| Officer Kinslow | 07.0 |

This month, members of the Reserve Organization augmented Patrol, assisted with Range, "Teen Court", Cerro Cos Graduation and Balsam Wine Walk.

Prepared by;

Tony Brown
Sergeant

Reserve Report for the Month of May 2009

The Reserve Officers achieved a total of 55.5 hours for the month of May. Officers Dorrell and Schatz contributed 25 and 11 hours respectively.

Reserve and range meetings accounted for 18 percent of the reserves administration time with 10 hours.

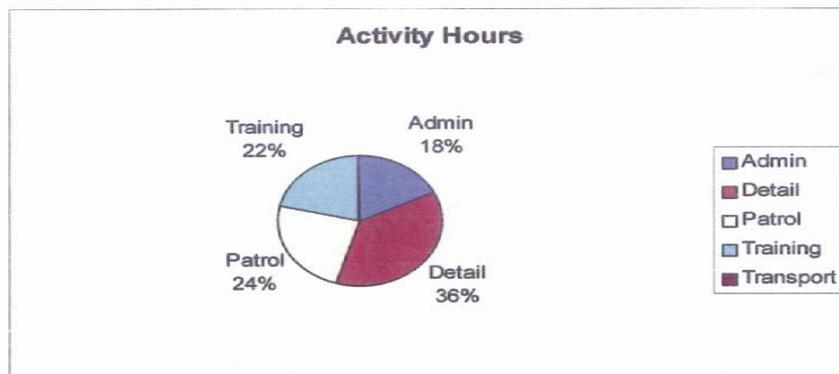

Reserve Officers logged a total of 20 hours of detailed time assisting Teen Court, the Cerro Coso Community College graduation, and the Wine Walk. This accounted for 36 percent of the reserves total time.

Officer Dorrell provided 13.5 hours of patrol time, which accounted for 24 percent of the total reserve hours.

Training accounted for 22 percent of the reserves total time and a total of 12 hours.

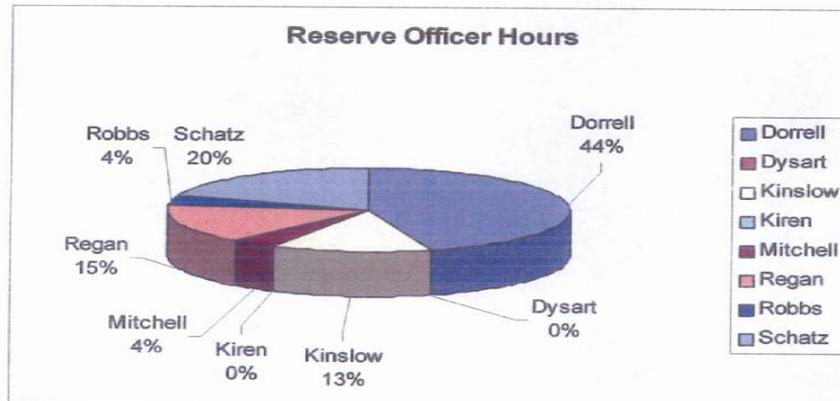

The following is a breakdown of the Reserve hours:

| | | |
|----------------|------------|-----|
| Administration | 10.0 hours | 18% |
| Details | 20.0 hours | 36% |
| Patrol | 13.5 hours | 24% |
| Training/Range | 12.0 hours | 22% |

Reserve Officer hours for the month of May:

| | | |
|----------|------------|-----|
| Dorrell | 25.0 hours | 44% |
| Kinslow | 7.0 hours | 13% |
| Mitchell | 2.0 hours | 4% |
| Regan | 8.5 hours | 15% |
| Robbs | 2.0 hours | 4% |
| Schatz | 11.0 hours | 20% |

Virginia Johnson – Account Clerk/Front Counter

Phone: (760) 499-5020

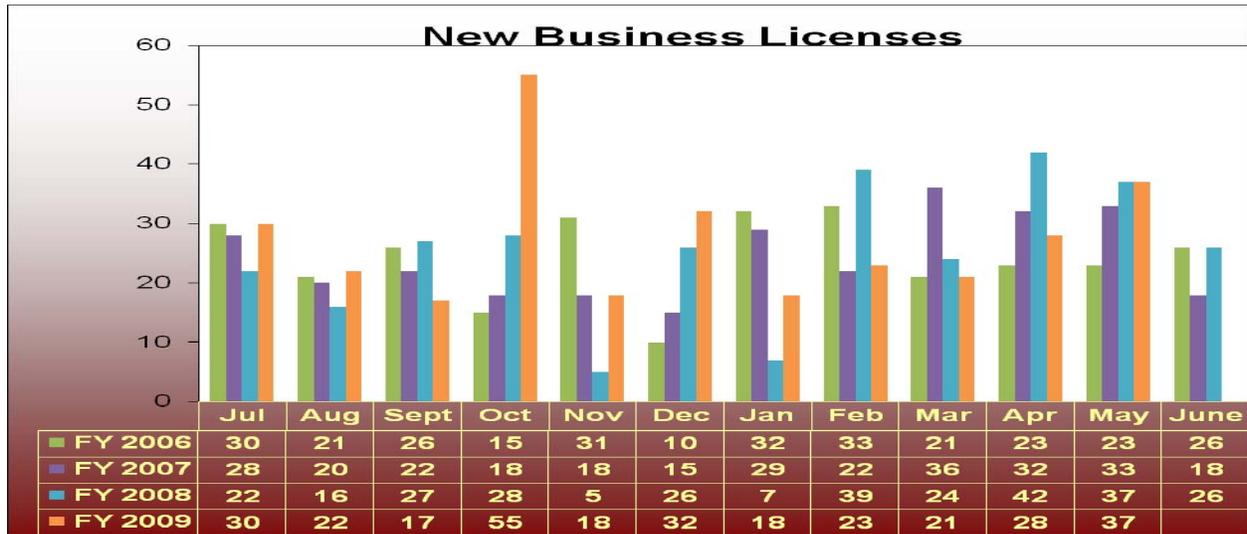

Fax: (760) 499-1520

Finance Division – April 2009

FRONT COUNTER

Business License – Received more than \$2,500 from businesses that failed to get a business license when they opened and had to pay for two or more year as well as late fees. Virginia mailed letters (approximately 17) to businesses that have not renewed the license for the past several years. Virginia has also been working on researching the Board of Equalization for information for Seller’s Permits.

Scanning – Stephanie (WIA) scanned one and ½ AP batch.

Accounts Payable – Virginia trained with Kelly on how to enter PI batches.

Payments – Virginia processed and submitted the rabies and spay/neuter request from Jansen’s Animal Hospital for payment through Accounts Payable.

Storage Unit – Virginia went to the storage unit with Parks and Recreation big brawny boys (men) to store boxes from last fiscal year and miscellaneous materials that was junking up the Finance Conference Room. They also brought back three boxes to be shredded. Between shredding and taking boxes to the storage unit, most of the boxes from the Finance conference room have now all been cleaned out.

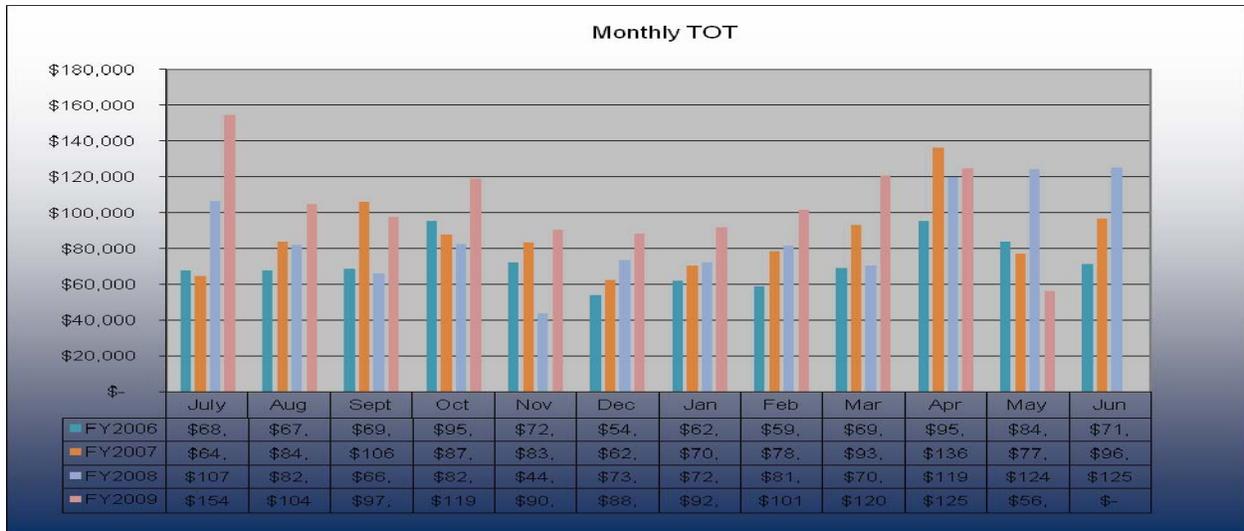

Shredding – Stephanie (WIA) managed to shred all of the materials needing to be shredded.

Year-End – As part of preparation for yearend processing, Virginia ordered all of the supplies needed for organizing and storing current year’s files and reorganized the storage room to make room for all of the supplies and files.

Finance Division – April 2009

Miscellaneous projects – In addition to answering the phone, helping customers at the counter, and processing payments, Virginia updated monthly spreadsheets and distributed mail daily. Virginia filed all month end, adjusting journal and budget adjustment batches.

June To Do List:

1. Complete W-9 scanning.
2. Complete Business License scanning.
3. Check Business License and W-9 scanning before OCR and archiving.
4. Get caught up on check run scanning.
5. Organize the conference room filing.
6. Start setting up FY10 filing.

ACCOUNTS PAYABLE

Reminders and Requests

- All payables must be received no later than 10 am on the Friday before the check run, unless otherwise specified.
 - ~If there is something that needs be paid with the next check run and you will be unable to get it to AP's by the deadline, arrangements must be made **prior** to the

Finance Division – April 2009

deadline. We will not accept any request made after the deadline and invoice payment will be made the following check run.

- When you receive utility bills get them coded, signed and return to Account Payables the next business day. We try to get the utilities put in the blue inter-department envelopes so please pay close attention to these.
- Receipts need to be turned in no more than 5 business days after date of purchase (excluding Cal Card-see below).
- Cal-Card: Hold on to receipts until you receive the Cal Card statement then send receipts along with the coded and signed statement to AP's within 5 business days of receiving.
- Write description of what was purchased if it is not clearly stated on the receipt. Do not write over descriptions on receipts. If there is no room on the receipt you may write it on the back of the receipt or you may tape it to a piece of paper (just make sure that the receipt is taped at the top of the paper) to write the description on or you may write it on the back of the receipt.
- Keep receipts away from heat and do not highlight receipts, as most receipts are now printed on thermal paper and the heat turns them black and highlighter erases the text.
- When submitting travels: If a registration check and advance check are needed, please submit 2 copies one with the employee name highlighted, and one with the registration highlighted.
- If submitting a check request in which back up needs to be sent with the check, include an additional copy. If an additional copy is not attached, nothing will be sent with the check.
- Remember all Account Payable documents are now scanned, so please try to remove as many staples as possible and use paper clips to keep papers together, if they are tiny receipts you may staple them and we will take the staples out. You also may tape them to a larger sheet of paper just make sure that the receipt is taped at the top of the paper.
- Prior to using a vendor check to see if they are an active vendor in our system, if they are not please obtain a w-9 prior to purchase or services.
- Remember any purchase or service costing over \$2000 will need a purchase order and needs to be completed before the purchase is made or services are rendered.

Check pick up

- Checks are generally ready for pick up at 3 pm on the Friday of the check run. If you have checks you need to pick up please send me an e-mail to let me know what checks you need and I will contact you as soon as they are ready for pick up.
- If a vendor wants to pick up a check, arrangements must be made with me no later than Thursday of the check run, they can pick them up after 3 pm or if they leave a phone number; I will contact them once the check is ready for pick up.

Work Completed May 2009:

1. Processed and paid 1414 invoices

Finance Division – April 2009

2. Processed a total of 686 checks
3. Paid out \$403,025.47 to vendors

PAYROLL

The Payroll Department has been busy getting ready for the FYE. Also, the new MOU for each group will be ready soon and we will be implementing any changes necessary.

One change already in effect started on May 22, 2009 and states that all new hires, either full time or part time, are required to participate in direct deposit. Policy AS 09-03

Remember to use your Floating Holiday time **before June 30, 2009**, if you have not used it already.

As always, please provide us with any address changes you might have.

Pat has been working on scanning payroll payables. FY 05/06 is in process, everything from then to current is already scanned.

ACCOUNTING SERVICES

NSF (non sufficient funds) Checks – As a reminder, please check the NSF Do Not Accept list that was sent to each department (that accepts payments). We are experiencing a very high number of NSF checks right now.

Travel Reconciliation – As the end of the fiscal year draws closer, Kristi has been trying to get all outstanding travels cleared. If you have an outstanding travel, please get it signed and to Kristi **by June 30th** so she can clear them all for year end.

On-going duties

- Assisted Interim Admin Services Director with month end processes for closing the accounting period – bank recons, various allocations.
- Verified edits for Accounts Payable.
- LAIF investment transfers.
- Prepared and sent out billing to Kern County for the Transit System services and Senior Center charges and rent.

PUBLIC SERVICES DEPARTMENT

The Public Services Department during May worked with Trevor W. Speer, Consultant, of NBS Local Government Solutions on the proposed Mandatory Curbside Solid Waste and Recycling Property Related fee to be placed on the County of Kern Residential Property Tax Roll. **A Public Protest Hearing is scheduled for July 01, 2009** to receive Community Input and formal protests of the proposed process. The intent of the City Council with respect to the California Integrated Waste Management Board is to establish a Mandatory Curbside Residential Recycling Program pursuant to Ordinance 09-01, by January 2010, including a proposed residential increased rate schedule which is recommended to be placed on the County of Kern Residential Property Tax Roll. The Universal Residential Curbside Recycling Pick-up Service (mandatory) is proposed to be billed to individual property owners annually by placement on the Kern County Property Tax Roll. The commercial accounts will continue to be billed by the franchisee, Benz Sanitation. Property owners will still be permitted to self haul to the Ridgecrest Sanitation Landfill and recycle at any approved drop off center or buy back center. All residential properties with 1 to 4 dwelling units will be required to participate. The program of services will provide limited exemptions. The protest hearing is not for the proposed Universal (mandatory) curbside service. Administration and Benz Sanitation/Tehachapi Recycling are in negotiations for an agreement for the implementation of mandatory commercial and residential recycling and solid waste collection. It is additionally proposed to develop a Mini Drop-off Recycling Facility at the Corporate Yards on W. Ridgecrest Blvd. to be operational by August 01, 2009.

NOTICE OF PUBLIC HEARING July 1, 2009 6:30 P.M.

Notice is hereby given that a public hearing regarding a proposed Universal (Mandatory) Solid Waste property related fee will be held on July 1, 2009 in the Ridgecrest City Council Chambers located at 100 W. California Avenue in the City of Ridgecrest.

The purpose of the Universal Solid Waste property related fee is to be in compliance with state law under the California Integrated Waste Management Association ("CIWMA"). The CIWMA Board of Directors issued Compliance Order BR07-07, requiring the City to comply with the universal curbside recycling and residential solid waste collection and on-site commercial recycling services. It is also a benefit to the residents of the City of Ridgecrest to preserve, protect and promote the health, safety and welfare of the public with respect to sanitation.

The proposed property related fee will be collected on the annual property tax bill of each parcel, based on the particular land-use code of that parcel, for solid waste collection services within the City of Ridgecrest. It will be billed as a new and separate charge on the tax bill but will replace the City's existing solid waste fees currently billed separately through Benz Sanitation.

PROPOSED RATES

| County Land-use Code Residential | Billing Unit (BU) | Monthly Rate per BU | Annual Rate |
|----------------------------------|-------------------|---------------------|-------------|
| Single-Family Residence | Dwelling Unit | \$26.00 | \$312.00 |
| Condominium | Dwelling Unit | 26.00 | 312.00 |
| Mobile Home | Dwelling Unit | 26.00 | 312.00 |
| Duplex | Dwelling Unit | 26.00 | 624.00 |
| Triplex | Dwelling Unit | 26.00 | 936.00 |
| Fourplex | Dwelling Unit | 26.00 | 1,248.00 |
| Multi-Unit Residential | Per Can | 26.00 | TBD* |
| Vacant, Non-Taxable | N/A | 0.00 | 0.00 |

* Annual Rate is dependant upon the number of cans for each property.

The Proposed Rates were established by using data from Benz Sanitation, the waste management company that provides solid waste collection services for the City and input from the City staff on the actual costs for collecting solid waste from each County land-use code, as shown. To determine the property related fee against your particular parcel, multiply the rate per billing unit by the number of billing units on your parcel. For example, a four-unit building (fourplex), charged at a rate of \$26.00 per dwelling unit, per month, would pay an annual fee of \$1,248.00 (\$26.00 x 4 x 12 = \$1,248.00). A single-family home would be charged for one dwelling unit at the rate of \$26.00 per month, for an annual fee of \$312.00 (\$26.00 x 1 x 12 = \$312.00).

The proposed rates shown here are "Maximum Rates." If it is not necessary to impose the full charge, the City Council may impose a rate that is lower than the Maximum Rate. This is a property related fee without a specified end date.

COST OF LIVING INFLATOR

The proposed Maximum Rates are stated in 2009/10 dollars. Beginning in Fiscal Year 2010/11 the maximum rate shall be increased by the percentage change that is equal to the percentage change in the U.S. Department of Labor, Bureau of Labor Statistics, Consumer Price Index for all Urban Consumers (CPI-U) in Pacific Cities and U.S. Average - Los Angeles-Riverside-Orange County, for the year ending the month of February. If for any reason the percentage change for a fiscal year is negative, the Maximum Rate shall not be decreased by reason of such negative percentage change and shall remain at the amount as computed the previous fiscal year. The actual fee may be less than, but shall not exceed the Maximum Rate unless appropriate proceedings are conducted by the City to authorize any increase beyond the Maximum Rate established for that year, as defined in the Cost of Living Inflation above.

PLANNING COMMISSION:

June 9, 2009

Discussion of New Ridgcrest General Plan Review, Approval and Adoption Process

The following schedule for the review approval and adoption of the new General Plan was approved by the Planning Commission:

| City of Ridgcrest General Plan Review, Approval and Adoption Process | | | |
|--|-----------------------|--|---------------------|
| Dates | Actions / Activities | Responsibility | |
| 1 | OCT 14, '08 | General Plan Advisory Committee (GPAC) Meeting #14 Recommendation of Public Draft General Plan | GPAC |
| 2 | OCT 26, '08 | Distribution and online availability of Public Draft General Plan | City Staff |
| 3 | DEC 16, '08 | Planning Commission Meeting – General Plan Environmental Impact Report (EIR) Notice of Preparation Scoping Meeting | Planning Commission |
| 4 | MAY 19 – JULY 3, '09 | Publication, online availability and Distribution of Draft EIR | City Staff |
| 5 | JUNE 9, '09 | Public comment on Draft EIR invited by Planning Commission | Planning Commission |
| 6 | JULY 3, '09 | Deadline for comments to Draft EIR | Public |
| 7 | JULY 6 – JULY 31, '09 | EIR consultant to prepare Administrative Final EIR , (Comments to Draft EIR and Responses to Comments), | EIR Consultant |
| 8 | JULY 31 – AUG 7, '09 | City Staff Review of Administrative Final EIR | City Staff |
| 9 | AUG 10 – AUG 14, '09 | EIR consultant prepares revisions if necessary per City direction | EIR Consultant |
| 10 | AUG 17, '09 | Publication, and online availability of Final Draft EIR | City Staff |
| 11 | AUG 19, '09 | City sends public hearing notices for Planning Commission and City Council hearings to newspaper | City Staff |
| 12 | SEPT 1, '09 | General Plan Advisory Committee (GPAC) Meeting #15 Final Review and Comments to Public Draft General Plan and EIR | GPAC |
| 13 | SEPT 22, '09 | Planning Commission Public Hearing to recommend Certification of EIR and Adoption of General Plan | Planning Commission |
| 14 | OCT 13, '09 | Planning Commission Continued Public Hearing to recommend Certification of EIR (if needed) | Planning Commission |
| 15 | NOV 4, '09 | City Council Public Hearing to consider certification of General Plan EIR, and Adoption of General Plan | City Council |
| 16 | NOV 18, '09 | City Council Continued Public Hearing to consider certification of General Plan EIR, and Adoption of General Plan (if needed) | City Council |
| 17 | DEC 8, '09 | Adopted Plan Published | City Staff |

Discussion of Tentative Tract Map No. 7205 a Preliminary Proposal to Subdivide a 29.29 acre Parcel Located at the NE Corner of Upjohn and Mahan into 125 Residential Lots and One Sump Lot

The Planning Commission held a study session to consider a preliminary subdivision submitted by Bill Burke Engineering.

It appears that Unit B should be built before Units A or C to connect a full width Church Ave. to Mahan St. It appears that the 3 units – A, B, & C are not in the right order. A Phasing Plan should be submitted with Map.

The Commission suggested that the tract design is rather cookie-cutter and lacking imagination. The developer might want to consider an alternative design that creates a more vibrant neighborhood, (curve linear streets, shorter street lengths between blocks, etc.).

The Commissioners provided numerous recommendations to the developers interested in submitting an application that is consistent with the City's vision of the future.

The new General Plan promotes "walkable neighborhoods". The applicant should consider putting a pedestrian walkway between Unit B and C with access to Mahan. Mahan should have a 30' parkway for multi-use trails.

NEW SIGN ORDINANCE OPINION SURVEY TAKEN BY OLDE TOWNE REPRESENTATIVES

The Community Development Committee New Sign Ordinance Subcommittee prepared an Opinion survey. The City Sign Ordinance Subcommittee met on two occasions with Olde Towne representatives, (May 16th and June 2nd). Eleven Opinion Surveys by Olde Towne representatives were completed and returned.

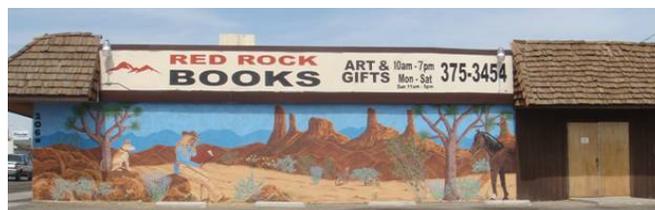

Based upon the results below there is a clear consensus to allow or prohibit some types of signage. Alternatively, there are many categories in which those responding provided no consensus.

| | These signs should be Prohibited | Agree | Neutral / No Ans. | Disagree | Analysis |
|----|---|-------|----------------------|----------|--|
| 1 | Cabinet (can) signs | 0 | 6 | 5 | Allow Cabinet Signs |
| 2 | Notices, placards, bills, posters, cards, stickers, banners, or other devices designed to attract the attention of the public that are posted or otherwise affixed upon any street, street furniture, public sidewalk, crosswalk, or lamppost | 7 | 4 | 1 | Prohibit Posters, Banners, etc. |
| 3 | Obscene or offensive signs containing statements, words, or pictures of an obscene or indecent character which appeal to the prurient interest in sex, or which are patently offensive and do not have serious literary, artistic, political, or scientific value | 9 | 1 | 1 | Prohibit Offensive Signs |
| 4 | Off-site (off-premises) signs | 4 | 4 | 3 | No Consensus |
| 5 | Painted signs on fences or roofs, except street addresses | 6 | 1 | 4 | No Consensus |
| 6 | Portable (sandwich) signs, except for menu signs for restaurants | 0 | 4 | 7 | Allow Portable signs |
| 7 | Signs advertising home occupations | 7 | 3 | 1 | Prohibit Home Occupation Signs |
| 8 | Signs erected in a manner that a portion of their surface or supports will interfere with the free use of a fire escape, exit or standpipe, or obstruct a required ventilator, door, stairway, or window above the first story, or create other hazards | 9 | 2 | 0 | Prohibit Signs Creating a Hazard |
| 9 | Signs using words, colors, symbols, or characters in a manner that interferes with, misleads, or confuses pedestrian or vehicular traffic and safety | 10 | 1 | 0 | Prohibit Signs interfering with traffic |
| 10 | Vehicle signs attached to or painted on motor vehicles that are parked on or adjacent to property for more than 24 consecutive hours, the principal purpose of which is to attract attention to a product sold or business located on the property | 0 | 3 | 8 | Allow Vehicle Signs Parked next to a Business |
| 11 | Inflated signs, balloons, and figures; | 0 | 3 | 8 | Allow Inflated signs, balloons, etc. |
| 12 | Mobile billboards | 3 | 3 | 4 | No Consensus |
| 13 | Any Window Signs (at all) | 0 | 1 | 10 | Allow Window Signs, No Consensus re: % of window to be covered |
| 14 | Window Signs taking up 75% or more of all window surface | 4 | 1 | 6 | |
| 15 | Window Signs taking up 50% or more of all window surface | 3 | 0 | 8 | |
| 16 | Signs mounted above the roof top or top of building | 5 | 1 | 5 | No Consensus |
| 17 | Signs mounted on the roof | 4 | 1 | 6 | No Consensus |

PART TWO – Restricted Signs

| | | Agree | Neutral / No Ans. | Disagree | Analysis |
|----|---|-------|----------------------|----------|---|
| 1 | Animated, moving, flashing, blinking, reflecting, revolving, or other similar signs or signs that incorporate these elements are prohibited unless approved as a creative sign | 5 | 2 | 4 | No Consensus |
| 2 | Awnings that are internally illuminated are prohibited unless approved as a creative sign | 3 | 1 | 7 | Allow Awning Signs |
| 3 | Banners, streamers, and pennants, are prohibited unless allowed for a temporary use | 6 | 1 | 4 | No Consensus |
| 4 | Changeable copy signs over three square feet, are prohibited unless approved through a comprehensive sign program | 4 | 4 | 3 | No Consensus |
| 5 | Electronic or Digital Signs except non-profit (schools, churches, museum, chamber of commerce, etc.) | 6 | 0 | 5 | No Consensus |
| 6 | Electronic or Digital Signs that do not appear to, flash, undulate, pulse, or portray explosions, fireworks, flashes of light, or blinking or chasing lights; the display shall not appear to move toward or away from the viewer, expand or contract, bounce, rotate, spin, twist or otherwise portray movement or animation as it comes onto, is displayed on, or leaves the sign board | 6 | 1 | 4 | No Consensus |
| 7 | Electronic or Digital Signs that do not change copy more than once per minute | 4 | 2 | 5 | No Consensus regarding limiting electronic copy changes |
| | Electronic or Digital Signs that do not change copy more than twice per minute | 4 | 2 | 5 | |
| | Electronic or Digital Signs that do not change copy more than four times per minute | 6 | 1 | 4 | |
| 8 | Murals are prohibited except for tall wall signs in compliance with Section 19.34.080(I), or those approved by the Fine Arts Commission | 3 | 4 | 4 | No Consensus |
| 9 | Roof signs extending above the edge of the roof of a structure are prohibited unless approved as a creative sign | 5 | 3 | 3 | No Consensus, slight edge toward prohibiting roof signs |
| 10 | Signs emitting audible sounds, odors, or visible matter are prohibited unless approved as a creative sign or creative billboard | 9 | 1 | 1 | Restrict Signs emitting sounds, odors, etc. |
| 11 | Pole signs are prohibited unless approved as creative signs | 2 | 4 | 5 | Allow Pole Signs |

The Sign Ordinance Subcommittee also discussed Guidelines for Murals. The Red rock books mural would be compatible with the mural guidelines requiring that murals reflect the community's history or way of life.

PUBLIC WORKS

**Rough Roads Costing Motorists
Hundreds More Per Year**

Driving on rough roads costs the average American motorist approximately \$400 a year in extra vehicle operating costs. Drivers living in urban areas with populations over 250,000 are paying upwards of \$750 more annually because of accelerated vehicle deterioration, increased maintenance, additional fuel consumption, and tire wear caused by poor road conditions.

Rough Roads Ahead: Fix Them Now or Pay for It Later, a report released today by the American Association of State Highway and Transportation Officials (AASHTO) and TRIP, reports that one-third of the nation's major highways, including Interstates, freeways, and major roads, are in poor or mediocre condition. Roads in urban areas, which carry 66 percent of the traffic, are in much worse shape.

"The American people are paying for rough roads multiple times," said Kirk T. Steudle, Director of the Michigan Department of Transportation, at a news conference held to

release the report. "Rough roads lead to diminished safety, higher vehicle operating costs, and more expensive road repairs. It costs \$1 to keep a road in good shape for every \$7 you would have to spend on reconstruction. It's another drag on the economy."

The report uses the latest government statistics to show pavement conditions in all 50 states and vehicle operating costs by state and urban areas. The report also finds that:

- 30 to 60 percent of the roads in 20 of the nation's largest urban areas are in poor condition.
- 36 percent of the roads in the Detroit urban area are in poor condition. In contrast, the Los Angeles area and surrounding communities have 64 percent of their roads in poor

condition.

- 61 percent of rural roads are in good condition.

72 percent of the Interstate Highway System is in good condition, but age, weather conditions, and burgeoning traffic are eroding ride quality.

"Our nation has invested \$1.75 trillion in our public highway system over the past 50 years," said John Horsley, AASHTO Executive Director. "We hope Congress will make it possible for the federal government to sustain its share of the increased investment needed to keep America's roads in good condition. If not, it will cost the American people billions more later."

The report points out that traffic growth has far outpaced highway construction, particularly in major metropolitan areas. The number of miles

(Continued on page 2)

N. Norma to Start Construction

Bids were solicited and opened on June 3, 2009 for the rehabilitation and repaving of N. Norma from Las Flores to W. Ridgecrest Blvd. The bids are being reviewed by the City Engineering and will be

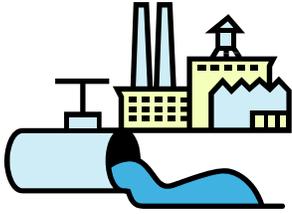

ready for approval by City Council at the July 1st meeting. Along with this project Ward will also be receiving repaving from Mahan to Downs. This is part of the funding that the City received from the State 1B

fund. Construction of the project should begin at the end of July beginning of August.

"30 to 60 percent of the roads in 20 of the nation's largest urban areas are in poor condition"

Wastewater Report

The City of Ridgecrest VVWTF operated within design and compliance directives issued under Board Order No. 6-00-56. The treatment facility operated with no discharge violations or abnormal conditions. The treatment lagoons are experiencing an increased algal bloom, due to the high ambient temperatures. This is an annual event for

the lagoons and is being monitored by the staff. The Department inspected and passed (2) new connection to the sanitary sewage system. The Department also responded to (3) requests for service (1) odor complaint, (2) requests for treatment of the sewage collection system for roach control. The Department performed periodic

maintenance on the Auger/Grinder and the floating aerators in Pond No. 1. The Reclamation Department reclaimed 4.9 million gallons of secondary effluent for use as fodder crop irrigation. The Department hydro flushed 1,500 ft. of main line sewer as preventative maintenance.

(Continued from page 1)

driven in this country jumped more than 41 percent from 1990 to 2007 – from 2.1 trillion miles in 1990 to 3 trillion in 2007. In some parts of the country, dramatic population growth has occurred without a corresponding increase in road capacity, placing enormous pressure on roads that, in many cases, were built 50 years ago.

"The federal stimulus program is providing a helpful down payment towards repairing some of the nation's rough roads," said Frank Moretti, TRIP's Director of Policy and Research. "But it will take a significant long-term boost in investment by all levels of government to provide Americans with a smooth ride

The full report is available at <http://roughroads.transportation.org>, along with charts, photographs, and examples from states working to improve their highway systems. *Rough*
