

RESOLUTION NO. 226

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF RIDGECREST AMENDING RESOLUTION NO. 86 TO PROVIDE AN ALTERNATIVE STANDARD FOR CURBS, GUTTERS, AND SIDEWALKS

WHEREAS, the City Council of the City of Ridgecrest in Resolution No. 86 adopted "Standard Specifications" governing construction on public property, and

WHEREAS, The City Council of the City of Ridgecrest wishes to amend said resolution to provide an alternative standard for curbs, gutters, and sidewalks which is to be used only in new subdivisions,

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF RIDGECREST RESOLVES:

1. That Standard Specification No. S-3a is hereby added to the Standard Specifications to provide for a monolithic curb, gutter, and sidewalk with a sloped rather than a barrier curb and without designated driveway approaches.

2. That the Superintendent of Streets is hereby instructed to prepare a graphic portrayal of Specification 3a for inclusion in the Standard Specifications.

APPROVED AND ADOPTED this 7th day of December, 1967, by the following vote:
