

RESOLUTION NO. 00-89

A RESOLUTION OF THE RIDGECREST CITY  
COUNCIL APPROVING THE PURCHASE OF  
COLD MIX OIL

**Whereas:**

- Section 1. The City Streets Department repairs cracks and potholes and caps road mix streets on an on-going basis throughout the year. The cold mix product is made using road oil of varying grades, depending on the season.
- Section 2. The road oil for the road mix is available from Golden Bear Chemical at the same price and terms they provide to the Caltrans Maintenance District in Inyokern. Because they have the Caltrans contract, Golden Bear is the only competitive supplier of this product in the area. The estimate for the current requirement is \$13,000.
- Section 3. The Director of Public Works requests that City Council approve this open Purchase Order to "Golden Bear" on the same terms that Golden Bear provides to Caltrans Maintenance District in Inyokern.

**Now therefore the City Council resolves as follows:**

The City Council of the City of Ridgecrest hereby approves the purchase order to Golden Bear in the amount of \$13,000.
