Special Notes

NEW for FALL 2012

Players in Divisions 4 & 5 (ages 9-15) must attend a player draft on August 11, 2012 at 4:30pm at the Leroy Jackson Park Soccer Fields.

Requests

Special requests for practice days, times, coaches or team placements will not be honored in this league. However, (unless otherwise specified) siblings in the same division will be placed together.

Divisions/Teams

Teams will be divided into specific age divisions based on the child's age as of October 27th. Children must be available Tuesdays thru Saturdays as games and practices will be scheduled on these days. League divisions will be based on program enrollment numbers.

Coaches

All coaches are volunteers for the City of Ridgecrest Parks and Recreation Department. Individuals interested in coaching must complete an application and successfully pass a local background check, Megan's Law check, and a Live Scan (fingerprinting) before they are allowed to coach.

Other Notes

No jewelry of any kind is to be worn by participants (this includes recently pierced ears). All players are required to wear shin guards which can be purchased at local stores. Cleats are optional. Pictures will be taken on September 21st & 22nd. There are no re-takes or make-up days on soccer pictures. Your child's coach will have more specific information including times, forms of payment accepted and specific day of pictures on the first day of practice.

After the registration period has ended, children will be placed on the "wait-list" and contacted ONLY if space becomes available.
